(b) The New Bonds constitute and are “Bonds” within the meaning of the quoted word as defined and used in the Ordinance.

(c) Subject to the following sentence, the Net Revenues pledged under the Ordinance are not encumbered by any lien and charge thereon or pledge thereof, other than (i) the lien and charge thereon and pledge thereof created by the General Bond Ordinance, the Fifth Supplemental Ordinance and the Seventh Supplemental Ordinance for the payment and security of the Bonds of 2009; (ii) the lien and charge thereon and pledge thereof created by the General Bond Ordinance and the Tenth Supplemental Ordinance for the payment and security of the Bonds of 2013; (iii) the lien and charge thereon and pledge thereof created by the General Bond Ordinance and the Eleventh Supplemental Ordinance for the payment and security of the Bonds of 2016A and the Bonds of 2016B; (iv) the lien and charge thereon and pledge thereof created by the General Bond Ordinance and the Twelfth Supplemental Ordinance for the payment and security of the Bonds of 2018; (v) the lien and charge thereon and pledge thereof created by the General Bond Ordinance and the Thirteenth Supplemental Ordinance for the payment and security of the Bonds of 2019A, the Bonds of 2019B and the Bonds of 2019C; (vi) the lien and charge thereon and pledge thereof created by the General Bond Ordinance and the Fourteenth Supplemental Ordinance for the payment and security of the Bonds of 2021A and the Bonds of 2021B; and (vii) the lien and charge thereon and pledge thereof created by the General Bond Ordinance and this Fifteenth Supplemental Ordinance for the payment and security of the New Bonds. (h) Subject to Section 8 hereof, if a Series Debt Service Reserve Fund is established hereunder with respect to a Series of the New Bonds, it shall secure only such Series of New Bonds, and the Series Reserve Fund Requirement (if any) will be satisfied through the deposit of cash (at such time as may be determined by the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, pursuant to Section 8 hereof), the purchase of a Surety Bond, the provision of a Letter of Credit or any combination of the foregoing, for the benefit of the Holders of the New Bonds.

(c) The Registrar, without further authorization or direction from the City, shall give notice of all mandatory redemptions within the time periods and in the manner specified in Article V of the General Bond Ordinance.

(d) The New Bonds shall originally be dated the date of delivery of the New Bonds, or such other date as the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, shall determine pursuant to Section 11 hereof, and shall be issued as fully registered Bonds in the denominations of \$5,000 and integral multiples of \$5,000, or in such other denominations determined by the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, pursuant to Section 11 hereof. The New Bonds shall be numbered and lettered in such a fashion as to maintain a proper record thereof.

Section 4. Book-Entry System; Recording and Transfer of Ownership of the New Bonds.

The Initial Bonds will be eligible securities for the purposes of the Book-Entry System of transfer maintained by the Depository, and transfers of beneficial ownership of the Initial Bonds shall be made only through the Depository and its participants in accordance with rules specified by the Depository. Such beneficial ownership must be of \$5,000 principal amount of Initial Bonds of the same Series and maturity or any integral multiple of \$5,000.

The Initial Bonds will be issued in fully-registered form, as a single Bond representing the entire principal amount of each Series of the New Bonds or one New Bond for each of the maturities of each Series of the New Bonds, in the name of Cede & Co., as the nominee of the Depository. When any principal of, premium, if any, or interest on the Initial Bonds becomes due, the City shall transmit or cause the Paying Agent to transmit to the Depository an amount equal to such installment of principal, premium, if any, and interest. Such payments will be made

to Cede & Co. or other nominee of the Depository as long as it is owner of record on the applicable Record Date. Cede & Co. or other nominee of the Depository shall be considered to be the owner of the Initial Bonds so registered for all purposes of this Fifteenth Supplemental Ordinance, including, without limitation, payments as aforesaid and receipt of notices. The Depository shall remit such payments to the Beneficial Owners of the New Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Bonds or any portion thereof shall be sent to the Depository in accordance with the provisions of the General Bond Ordinance.

The Depository is expected to maintain records of the positions of Participants in the Initial Bonds, and the Participants and persons acting through Participants are expected to maintain records of the Beneficial Owners in the Initial Bonds. The City, the Registrar and the Paying Agent make no assurances that the Depository and its Participants will act in accordance with such rules or expectations on a timely basis, and the City, the Registrar and the Paying Agent shall have no responsibility for any such maintenance of records or transfer of payments by the Depository to its Participants, or by the Participants or persons acting through Participants to the Beneficial Owners.

The City, the Paying Agent and the Registrar may treat the Depository (or its nominee) as the sole and exclusive owner of the New Bonds registered in its name for the purpose of payment of the principal of, interest or premium, if any, on the New Bonds, giving any notice permitted or required to be given to Bondholders under the General Bond Ordinance or this Fifteenth Supplemental Ordinance, registering the transfer of the New Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and shall not be affected by any notice to the contrary. The City, the Paying Agent and the Registrar shall not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the New Bonds under or through the Depository or any Participant, or any other person which is not shown on the Books of Registry of the City maintained by the Registrar as being a Bondholder, with respect to: the accuracy of any records maintained by the Depository or any Participant or the maintenance of any records; the payment by the Depository or any Participant of any amount in respect of the principal of, interest or premium, if any, on the New Bonds; the sending of any transaction statements; the delivery or timeliness of delivery by the Depository or any Participant of any notice which is permitted or required to be given to Bondholders thereunder; the selection of Bondholders to receive payments upon any partial redemption of the New Bonds; or any consent given or other actions taken by the Depository as a Bondholder.

If (a) the Depository determines not to continue to act as securities depository for the New Bonds, and gives reasonable notice to the Registrar or the City, or (b) the City has advised the Depository of the City's determination that the Depository is incapable of discharging its duties, then the City shall attempt to retain another qualified securities depository to replace the Depository. Upon receipt by the City or the Registrar of the Initial Bonds together with an assignment duly executed by the Depository, the City shall execute and deliver to the successor depository, the New Bonds of the same principal amount, interest rate and maturity. If the City is unable to retain a qualified successor to the Depository, or the City has determined that it is in its best interest not to continue the Book-Entry System of transfer or that interests of the Beneficial Owners of the New Bonds might be adversely affected if the Book-Entry System of transfer is

continued (the City undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify Beneficial Owners of the New Bonds by mailing an appropriate notice to the Depository, upon receipt by the City of the Initial Bonds together with an assignment duly executed by the Depository, the City shall execute, authenticate and deliver to the Depository Participants the New Bonds in fully-registered form, in authorized denomination; provided, however, that the discontinuation of the Book-Entry System of registration and transfer with respect to the New Bonds or the replacement of the Depository or any successor depository shall be subject to the applicable rules and procedures of the Depository or such successor depository on file or otherwise approved by the Securities and Exchange Commission.

Section 5. Optional Redemption of New Bonds.

Such of the New Bonds as may be determined by the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, pursuant to Section 11 hereof shall be subject to redemption prior to maturity, at the option of the City upon the written direction of the City, in whole or in part at any time in such order of their maturities as the City shall determine and by lot within a maturity, at the respective redemption prices with respect to each New Bond, expressed as a percentage of principal amount of the New Bonds to be redeemed, as shall be determined by the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, pursuant to Section 11 hereof, together, in each such case, with the interest accrued on such principal amount to the date fixed for redemption.

Section 6. Payment of the New Bonds.

The New Bonds, together with the interest thereon, shall be payable, in such coin or currency of the United States of America which at the time of such payment is legal tender for public and private debts, solely from the Net Revenues of the System in accordance with the provisions of the Ordinance including this Fifteenth Supplemental Ordinance. The New Bonds shall be issued on a parity with the pledge of Net Revenues securing the remaining Outstanding Parity Bonds, and shall be senior to the pledge thereof securing the City's obligations under the Swap, the 2009 Letter of Credit or any Junior Bonds or any other charges, liens or encumbrances on the Net Revenues of the System, as contemplated by Section 6.7 of the General Bond Ordinance.

The New Bonds, and the interest thereon, shall not be a debt of the City, nor a charge, lien or encumbrance, legal or equitable, upon any property of the City or upon any income, receipts or revenues of the City other than such of the Net Revenues of the System as are hereby pledged to the payment thereof. No recourse shall be had for the payment of the New Bonds, or the interest thereon, or any part thereof, against the general fund of the City, nor shall the credit or taxing powers of the City be deemed to be pledged to the payment of the principal of and interest on the New Bonds. The full faith, credit and taxing powers of the State of South Carolina or of the City are not pledged to the payment of the principal of or the interest on the New Bonds, and the New Bonds shall never constitute an indebtedness of the City within the meaning of any State constitution provision (other than Article X, Section 14, Paragraph 10, of the South Carolina

constitutional provision authorizing obligations payable solely from special sources not involving revenues from any tax or license) or statutory limitation.

Section 7. Establishment of Series Debt Service Fund.

In accordance with Section 6.5 of the General Bond Ordinance, the Series Debt Service Fund is hereby established on the date of the original delivery of the New Bonds and held by the City for the benefit of the Holders of the New Bonds; provided, however, that upon the issuance of one or more Series of New Bonds, separate funds or accounts may be established for the payment of debt service on such Series of New Bonds, with such additional numbers or letters to identify its relevance, but each such separate fund or account will be considered the "Series Debt Service Fund" with respect to the related Series of New Bonds. Notwithstanding the provisions of this Fifteenth Supplemental Ordinance, the City may elect to establish a capitalized interest account within the Series Debt Service Fund for the payment of interest coming due on the New Bonds as described in Section 6.5 of the General Bond Ordinance, into which account a portion of the proceeds of the New Bonds will be deposited and used as provided for in Sections 12 and 13 hereof; provided, that any amounts on deposit in such capitalized interest account may be transferred to the Series Construction Fund at the City's direction and used as provided for in Sections 12 and 13 hereof.

Section 8. Establishment of the Series Reserve Fund Requirement and Series Debt Service Reserve Fund.

In accordance with Section 6.6 of the General Bond Ordinance, the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, may determine whether it is necessary or desirable to establish a Series Debt Service Reserve Fund for the benefit of the Holders of one or more Series of New Bonds (if any) and the amount and timing of funding of the Series Reserve Fund Requirement, and, if so, such Series Debt Service Reserve Fund shall be established on the date of the original delivery of such Series of New Bonds or funded from System Revenues over a period of time thereafter and held by the City, all as provided in the Ordinance; provided, however, that (1) upon the issuance of one or more Series of New Bonds, separate funds or accounts may be established (if at all) for each Series of New Bonds, with such additional numbers or letters to identify its relevance, but each such separate fund or account will be considered the "Series Debt Service Reserve Fund" with respect to the related Series of New Bonds; and (2) in the event of any full or partial defeasance of a Series of New Bonds under Article X of the General Bond Ordinance, then the Series Reserve Fund Requirement established for such Series of New Bonds shall be recalculated based on the then Outstanding principal amount of such Series. If the Series Debt Service Reserve Fund is established, the Series Reserve Fund Requirement initially will be satisfied by the City by the deposit of cash into the Series Debt Service Reserve Fund (which may, as designated by the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, pursuant to Section 11 hereof, be funded from the proceeds of the New Bonds on the date of delivery thereof or from System Revenues thereafter), with the purchase of a Surety Bond, the provision of a Letter of Credit or any combination of the foregoing, in each case for the benefit of the Holders of the New Bonds.

Section 9. [Reserved]

Section 10. Designation of Registrar and Paying Agent.

The Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, are hereby authorized and empowered to select the Registrar and the Paying Agent, respectively, for the New Bonds, pursuant to Section 11 hereof. The Registrar and the Paying Agent shall signify its acceptance of its duties upon delivery of the New Bonds.

Section 11. Sale and Issuance of New Bonds; Official Statement; Collateral Agreements.

(a) The Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, are hereby authorized and empowered to determine the original issue dates and initial Interest Payment Dates of each Series of the New Bonds; the aggregate principal amounts of the New Bonds, if less than authorized by this Ordinance, and each Series thereof (including the Series or portions thereof to be issued on a taxable or tax-exempt basis), authorized denominations thereof and the purposes of each Series thereof; the interest rates for each Series of the New Bonds; the New Bonds to be subject to mandatory and optional redemption; whether the Series Debt Service Reserve Fund will be established and funded with respect to each Series of the New Bonds and, if so, the manner and timing in which the Series Reserve Fund Requirement will be satisfied; the redemption prices of the New Bonds subject to optional redemption; the Registrar and Paying Agent for each Series of the New Bonds; whether each Series of the New Bonds will be sold in a public or private offering or offered through a private placement transaction, and the firm or firms which will serve as the Underwriter(s) or purchaser(s), as the case may be, in connection therewith; and any original issue discount or original issue premium at which each Series of the New Bonds will be sold; any Underwriter's discount or other fee payable to the purchasers of each Series of the New Bonds; and any other terms, provisions and matters necessary or advisable to effect the issuance of each Series of the New Bonds.

(b) The Mayor and the City Manager, or either of them acting alone, are hereby authorized and empowered to enter into, on behalf of the City, one or more Bond Purchase Agreements to be dated the date of their respective execution. Upon the submission of each such Bond Purchase Agreement by the Underwriters, the Mayor and the City Manager, or either of them acting alone, shall further determine that the respective Bond Purchase Agreement is fair and reasonable and in the best interest of the City; that the related Series of New Bonds shall be sold to the Underwriters upon the terms and conditions set forth in such Bond Purchase Agreements and upon the basis of the representations therein set forth, and that all conditions precedent to or concurrent with the acceptance of the Bond Purchase Agreements by the City have been met. The Council hereby approves the form of Bond Purchase Agreement attached hereto as Exhibit B, together with such amendments and modifications to the form thereof as the Mayor and the City Manager, or either of them acting alone, shall negotiate and approve, and authorizes and directs the Mayor and the City Manager, or either of them acting alone, to execute the Bond Purchase Agreements, as so modified and amended, and deliver such executed Bond Purchase Agreements to

the Underwriters, such person's execution and delivery of the Bond Purchase Agreements constituting conclusive evidence of his approval of the matters therein contained.

(c) The Council hereby ratifies and approves the form of Preliminary Official Statement relating to the New Bonds, in substantially the form attached hereto as Exhibit C, together with such amendments and modifications to the form thereof (the "Preliminary Official Statement") as the Mayor and the City Manager, or either of them acting alone, shall negotiate and approve. The Mayor and the City Manager, or either of them acting alone, is hereby authorized to "deem final" one or more Preliminary Official Statements related to the New Bonds for purposes of complying with the requirements set forth in Rule 15c2-12 of the Securities and Exchange Commission, promulgated under the Securities Exchange Act of 1934, as amended.

(d) The Council hereby authorizes one or more Final Official Statements of the City to be dated of even date with the execution and delivery of the Bond Purchase Agreement relating to the New Bonds, substantially in the form of the Preliminary Official Statement presented at this meeting, with such modifications as the Mayor and the City Manager, or either of them acting alone, approve, as well as any amendments or supplements thereto dated the date thereof (as so amended and supplemented, the "Final Official Statement"); the Mayor and the City Manager, or either of them acting alone, is hereby authorized and directed to execute copies of the Final Official Statement and deliver the same to the Underwriters, which execution and delivery shall be conclusive evidence of the approval of any such modifications; and the City hereby authorizes the use of the Preliminary Official Statement, the Final Official Statement, the Ordinance (including this Fifteenth Supplemental Ordinance) and the information contained herein and therein in the connection with the public offering and sale of the New Bonds by the Underwriters.

(e) A copy of this Fifteenth Supplemental Ordinance shall be filed with the minutes of the meeting at which this Fifteenth Supplemental Ordinance was enacted.

(f) The Council hereby authorizes the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, to negotiate the terms of and prepare investment agreements, forward delivery agreements, repurchase agreements and other agreements in connection with the New Bonds, to prepare and solicit bids for providers of such agreements, and the Mayor and the City Manager, or either of them acting alone, are authorized to execute, in the name and on behalf of the City, all such agreements or written confirmations of any such investment arrangements and other documents as may be necessary in connection therewith.

(g) Notwithstanding the foregoing resolutions, the Mayor and the City Manager, or either of them acting alone, are hereby authorized and empowered to take such actions as may be necessary or desirable to sell the New Bonds (or any Series thereof) to one or more purchasers in a private offering or private placement transaction, and may prepare, negotiate, execute and deliver a purchase agreement (which may be, but is not required to be, in the form of the Bond Purchase Agreement, together with such amendments and modifications to the form thereof as the Mayor or City Manager shall negotiate and approve, such person's execution and delivery thereof constituting conclusive evidence of his approval of the matters therein contained, or in another form satisfactory to the Mayor and City Manager, or either of them acting alone) with such purchasers and prepare,

disseminate, execute and deliver requests for proposals, offering documents or private placement memoranda (which may be in the form of the Preliminary Official Statement, together with such amendments and modifications to the form thereof as the Mayor or City Manager shall negotiate and approve, such person's execution thereof constituting conclusive evidence of his approval of the matters therein contained, or otherwise) and solicit interest and receive offers from purchasers to purchase one or more Series of New Bonds in a private offering or private placement transaction as may be required in connection therewith.

(h) The Council hereby authorizes and directs all of the officers and employees of the City to carry out or cause to be carried out all obligations of the City under the aforesaid Bond Purchase Agreement or purchase agreement and to perform such other actions as they shall consider necessary or advisable in connection with the issuance, sale and delivery of the New Bonds.

(i) The Council hereby ratifies, confirms and approves the actions of the City Manager and the Assistant City Manager for Finance and Economic Services heretofore undertaken with regard to applications for Surety Bonds, Letters of Credit, other credit enhancements, and liquidity arrangements relating to the New Bonds from municipal bond insurance companies or other financial institutions and to enter into, execute and deliver on behalf of the City, such loan, insurance, reimbursement or guaranty agreements as shall be necessary and advisable, with advice of counsel, in connection with the transactions and other matters referred to herein; provided, however, that the representations and covenants contained in such agreements may be incorporated in this Fifteenth Supplemental Ordinance as if fully set forth herein.

(j) With respect to the Swap, the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, are authorized and empowered to take such actions and execute any agreements or other documents to terminate the Swap, if determined it to be in the City's best interest to do so, upon advice of counsel and the City's financial advisor.

Section 12. Disposition of Proceeds of New Bonds and Certain Other Moneys.

The proceeds derived from the sale of any Series of the New Bonds, net of the original issue discount or original discount premium or both, and any Underwriters' discount or fees payable to the purchasers thereof and the premium, if any, on the Surety Bonds, shall be deposited with the City and used for one or more of the following purposes:

(a) If the Mayor, the City Manager and the Assistant City Manager for Finance and Economic Services, or any two of them acting together, determine that a Series Debt Service Reserve Fund shall be established for a Series of New Bonds and the Series Reserve Fund Requirement shall be funded with a portion of the proceeds of a Series of the New Bonds, there shall be deposited with the City for deposit into such Series Debt Service Reserve Fund an amount equal to the Series Reserve Fund Requirement.

(b) The remainder of the proceeds of any Series of the New Bonds shall be deposited into the Series Construction Fund established in Section 13 hereof (or, at the election of

the City, a capitalized interest account established under the Series Debt Service Fund pursuant to Section 7 hereof) to pay Costs of Acquisition and Construction for the New Projects (including interest coming due on such Series of the New Bonds) and Costs of Issuance for such Series of New Bonds.

The respective amounts specified in this Section 12 shall be determined by the City upon delivery of any Series of the New Bonds.

Section 13. Series Construction Fund.

There is hereby created and established the Series Construction Fund, which fund shall be held by the Custodian; provided, however, that upon the issuance of one or more Series of New Bonds, separate funds or accounts may be established for such Series of New Bonds, with such additional numbers or letters to identify its relevance, but each such separate fund or account will be considered the "Series Construction Fund" with respect to the related Series of New Bonds. The Series Construction Fund established for a particular Series of New Bonds shall be accounted for as a single fund, however the moneys on deposit therein may be held by one or more banks or other financial institutions designated by the City. The moneys on deposit in the Series Construction Fund shall be used and applied to pay the Costs of Acquisition and Construction of the New Projects (including interest coming due on the New Bonds, subject to Section 7 hereof) and all Costs of Issuance incidental to the issuance and sale of the New Bonds.

Moneys held for the credit of the Series Construction Fund shall be invested to the fullest extent practicable and reasonable, in Permitted Investments, maturing at such times and in such amounts as shall be required to provide moneys to make the payments required to be made from such Fund.

Withdrawals from the Series Construction Fund shall be made in the manner withdrawals from other funds of the City are made.

If after the payment in full of all costs of the New Projects and Costs of Issuance or after adequate provision has been made for such payment any moneys remain in the Series Construction Fund, such excess shall be paid into the related Series Debt Service Fund and shall be used only for the payment of the principal of and interest on the related Series of New Bonds or, in the alternative, to acquire Outstanding New Bonds at a price (exclusive of accrued interest) not exceeding the face amount thereof.

Section 14. Federal Tax Covenant.

The City hereby covenants and agrees with the Holders of the New Bonds issued as tax-exempt obligations for federal income tax purposes (the "Tax Exempt Bonds") that it will not take any action which will, or fail to take any action which failure will, cause interest on the Tax Exempt Bonds to become includable in the gross income of the Holders for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of the Tax Exempt Bonds. The City further covenants and agrees with the Holders of the Tax Exempt Bonds that no use of the proceeds of the Tax Exempt Bonds

shall be made which, if such use had been reasonably expected on the date of issue of the Tax Exempt Bonds would have caused the Tax Exempt Bonds to be “arbitrage bonds,” as defined in the Code; and to that end the City hereby shall:

(a) comply with the applicable provisions of Sections 103 and Sections 141 through 150 of the Code and any regulations promulgated thereunder so long as any of the Tax Exempt Bonds are Outstanding;

(b) establish such funds, make such calculations and pay such amounts, if necessary, in the manner and at the times required in order to comply with the requirements of the Code relating to required rebate of certain amounts to the United States; and

(c) make such reports of such information at the times and places required by the Code.

This Ordinance shall constitute the City’s declaration of official intent pursuant to Regulation §1.150-2 of the Code to reimburse the City from a portion of the proceeds of the Tax Exempt Bonds or other tax-exempt bonds issued by the City for such purposes (the “Reimbursement Bonds”) for expenditures it anticipates incurring (the “Expenditures”) with respect to the New Projects prior to the issuance of the Reimbursement Bonds. The Expenditures which are reimbursed are limited to Expenditures which are: (1) properly chargeable to a capital account (or would be so chargeable with a proper election or with the application of the definition of placed in service under Regulation §1.150-2 of the Code) under general federal income tax principles; or (2) certain *de minimis* or preliminary expenditures satisfying the requirements of Regulation §1.150-2(f) of the Code. The source of funds for the Expenditures with respect to the acquisition of the New Projects will be the City’s water and sewer fund. To be eligible for reimbursement of the Expenditures, the reimbursement allocation must be made not later than 18 months after the later of (a) the date on which the Expenditures were paid; or (b) the date such project was placed in service, but in no event more than three (3) years after the original Expenditures.

Section 15. Continuing Disclosure.

(a) The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Disclosure Dissemination Agent Agreement in the form attached hereto as Exhibit D (the “Continuing Disclosure Agreement”) with such changes as may be approved by the Mayor and the City Manager, or either of them acting alone, upon advice of counsel. Notwithstanding any other provision of the Ordinance or this Fifteenth Supplemental Ordinance, failure of the City to comply with the provisions of the Continuing Disclosure Agreement shall not be considered an Event of Default under the Ordinance or this Fifteenth Supplemental Ordinance. The Continuing Disclosure Agreement shall be executed by the Mayor and the City Manager, or either of them acting alone, prior to the delivery of the New Bonds.

(b) The City covenants, so long as and to the extent required pursuant to Section 11-1-85, Code of Laws of South Carolina 1976, as amended, to file with a central repository for availability in the secondary bond market when requested:

(i) an annual independent audit, within thirty (30) days of the City's receipt of the audit; and

(ii) event specific information within thirty (30) days of an event adversely affecting more than five percent (5%) of the Revenues or the City's tax base.

(c) The only remedy for failure by the City to comply with the Continuing Disclosure Agreement or the covenants included in paragraph (b) of this Section 15 shall be an action for specific performance of this covenant; and failure to comply shall not constitute a default or an "Event of Default" under the Ordinance or this Fifteenth Supplemental Ordinance. The Registrar and the Paying Agent shall have no responsibility to monitor the City's compliance with the Continuing Disclosure Agreement or the covenants included in paragraph (b) of this Section 15, and the City specifically reserves the right to amend or delete its covenants in the Continuing Disclosure Agreement or in paragraph (b) of this Section 15 to reflect any change in Section 11-1-85 of the Code of Laws of South Carolina 1976, as amended, or federal law, as applicable, without the consent of the Registrar and the Paying Agent or the Registered Holders of any New Bond.

Section 16. Modification of Ordinance.

The Holders of the Bonds of 2018, the Bonds of 2019A, the Bonds of 2019B, the Bonds of 2019C, the Bonds of 2021A, the Bonds of 2021B and the New Bonds, by their acceptance thereof, have or are deemed to have consented to the amendments set forth in the Twelfth Supplemental Ordinance.

Section 17. Further Actions.

The Mayor, the City Manager, the Assistant City Manager for Finance and Economic Services, the City Clerk and the City Attorney are hereby authorized and directed to take any and all such further actions as shall be deemed necessary or desirable in order to effectuate issuance and sale of the New Bonds pursuant to the Bond Purchase Agreement, to elect to purchase the Surety Bonds and to carry out the intentions of this Fifteenth Supplemental Ordinance.

This Bond and the series of Bonds of which it is one and the interest thereon are special obligations of the City and are secured by and payable solely from, and secured equally and ratably by a pledge of and lien upon, the Net Revenues (as defined in the General Bond Ordinance) derived by the City from the System; and on a parity with the Bonds of 2009, the Bonds of 2013, the Bonds of 2016A, the Bonds of 2016B, the Bonds of 2018, the Bonds of 2019A, the Bonds of 2019B, the Bonds of 2019C, the Bonds of 2021A, the Bonds of 2021B (as such terms are defined in the Fifteenth Supplemental Ordinance) and any Series of Bonds (as defined in the General Bond Ordinance) which are presently Outstanding (as defined in the General Bond Ordinance) or which may be hereafter issued under the General Bond Ordinance payable from such Net Revenues on a parity and equally and ratably secured therewith.

At its option, to be exercised on or before the sixtieth (60th) day prior to any mandatory redemption date, the City may (i) deliver to the Registrar for cancellation, Bonds which are subject to mandatory redemption in any aggregate principal amount desired or (ii) receive a credit in respect of its mandatory redemption obligation for any such Bonds which, prior to such date, have been purchased or redeemed (otherwise than through the operation of the mandatory redemption requirement) by the City and cancelled by the Registrar and not theretofore applied as a credit against any mandatory redemption obligation. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registrar, at one hundred 100 percent (100%) of the principal amount thereof, to the obligation of the City on those respective mandatory redemption obligations in chronological order, and the principal amount of the Bonds to be redeemed by operation of the mandatory redemption requirement shall be accordingly reduced.

This Bond is transferable, as provided in the Bond Ordinance, only upon the books of the City kept for that purpose at the principal office of the Registrar by the registered owner in person or by his duly authorized attorney upon surrender of this Bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond or Bonds of the same aggregate principal amount, rate of interest and maturity shall be issued to the transferee in exchange therefor as provided in the Bond Ordinance. reduction in the principal amount or redemption price thereof or rate of interest thereon without the consent of the holder of each such Bond affected thereby, or shall reduce the percentage of the principal amount of Bonds, the consent of the holders of which is required by the Bond Ordinance to effect such an amendment or modification.

Under the laws of the State, this Bond and the interest hereon are exempt from all State, county, municipal, school district and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and statutes of the State to exist, to happen and to be performed precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law; that the series of which this Bond is a part does not exceed any constitutional or statutory limitation of indebtedness; and that provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part, as provided in the Bond Ordinance.

The Honorable Mayor and Members of City Council
City of Columbia

Columbia, South Carolina 29201

The undersigned, PNC Capital Markets, LLC and Raymond James & Associates, Inc., on behalf of themselves and as representatives of Siebert Williams Shank & Co., LLC, as Underwriters (collectively, “*Underwriter*”), offers to enter into this Purchase Contract (“*Purchase Contract*”) with the City of Columbia, South Carolina (“*City*”), which, upon the acceptance of this offer and the execution of this Purchase Contract by the City, shall be in full force and effect in accordance with its terms and shall be binding upon the City and the Underwriter. This offer is made subject to your acceptance of this Purchase Contract on or before 3:00 p.m. local (City of Columbia) time, on [Pricing Date], 2022, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to your office at any time prior to the acceptance hereof by you. All terms used herein and not otherwise defined herein shall have the meanings ascribed to them in the Preliminary Official Statement (defined below) or the Ordinance (defined below).

1. ***Offer and Sale of Bonds.*** Upon the terms and conditions and upon the basis of the representations and warranties hereinafter set forth, the Underwriter hereby agrees to purchase from the City aggregate principal amount \$[Bond Amount] City’s Waterworks and Sewer System Revenue Bonds, Series 2022 (“*Bonds*”), and the City hereby agrees to sell to the Underwriter all (but not less than all) of the Bonds.

The purchase price for the Bonds shall be \$[] (representing the par amount of the Bonds less an Underwriter’s discount of \$[], [plus] [minus] aggregate net original issue [premium] [discount] of \$[]). The Underwriter may change the offering prices of the Bonds at any time and from time to time.

2. ***Authorization and Purpose.*** The Bonds shall be authorized and issued pursuant to the following: (i) Title 6, Chapter 17 of the Code of Laws of South Carolina 1976, as amended (“*Enabling Act*”); (ii) the General Bond Ordinance No. 93-43 enacted by the City Council of the City (“City Council”) on May 21, 1993 (“*Bond Ordinance*”), as amended and supplemented, including as amended and supplemented by the Fifteenth Supplemental Ordinance No. 2022-____, enacted by the City Council on [Ordinance Date], 2022 (together with “*Bond Ordinance*,” as so amended and supplemented, “*Ordinance*”).

Proceeds of the Bonds will be used to (i) fund the improvements, extensions and enlargements to the Waterworks and Sewer System of the City (“*System*”), (ii) pay interest coming due on a portion of the Bonds, and (iii) pay the costs incurred in connection with the issuance of the Bonds. The Bonds shall mature on such dates and in such principal amounts, shall bear interest at such rates, shall be reoffered at

the prices and yields and shall be subject to optional redemption, all as set forth in Exhibit A attached hereto and made a part hereof. The Depository Trust Company (“**DTC**”) shall act as securities depository for the Bonds, which shall be issued in book-entry form.

The Bonds, including the interest thereon, are payable solely from the Net Revenues of the Waterworks and the System and are secured by a pledge of and lien on the Net Revenues thereof. There will be no debt service reserve fund established for or funded with the proceeds of the Bonds.

3. **Official Statement.** The City has previously provided to the Underwriter copies of the Preliminary Official Statement with respect to the Bonds, dated [], 2022 (“**Preliminary Official Statement**”). As of its date, the Preliminary Official Statement has been “deemed final” by the City for purposes of Rule 15c2-12(b)(1) (“**Rule**”) under the Securities Exchange Act of 1934, as amended (“**1934 Act**”) except for the offering prices, interest rates, selling commissions, principal amount per maturity, optional and mandatory redemption provisions, sources and uses of funds and delivery dates of the Bonds. Within seven business days of the date hereof and, in any event, in sufficient time to accompany confirmations requesting payment from customers, the City agrees to supply to the Underwriter a final Official Statement executed by the City (“**Official Statement**”) and in a sufficient quantity to comply with Rule and the rules of the Municipal Securities Rulemaking Board (“**MSRB**”) and to ensure a copy of the Official Statement is placed on <http://emma.msrb.org/> in such a way as to assist the Underwriter in complying with MSRB Rule G-32. The City hereby consents to and ratifies the use by the Underwriter of the Preliminary Official Statement and the Official Statement in connection with the public offering of the Bonds.

4. **Offering.** The Underwriter intends to make an initial bona fide public offering of all the Bonds at not in excess of the public offering price or prices (nor lower than the yield or yields) set forth in Exhibit A hereto and may subsequently change such offering price or prices (or yield or yields) without any requirement of prior notice to the City. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others, as stated in Paragraph 1 above, at prices lower than the public offering price or prices stated.

5. **Representations and Warranties of the City.** The City hereby represents and warrants to the Underwriter that:

(a) The City is a municipal corporation existing under the laws of the State of South Carolina.

(b) The City is authorized by the laws of the State of South Carolina, including particularly the Enabling Act, to enact the Ordinance, to issue the Bonds, to enter into this Purchase Contract and to secure the Bonds in the manner contemplated by the Ordinance.

(c) The City has full power and authority to consummate the transactions contemplated by this Purchase Contract, the Bonds, the Ordinance, the Official Statement and as otherwise set forth herein.

(d) The Official Statement, as of its date, will be a final official statement as such term is defined in the Rule.

(e) The City has duly approved and authorized the distribution and use of the Preliminary Official Statement and the execution, delivery and distribution of the Official Statement; the City has delivered the Preliminary Official Statement to the Underwriter, and, as of its date, the City deemed the

Preliminary Official Statement to be final for the purpose of the Rule except for the offering prices, interest rates, selling commissions, aggregate principal amounts, principal amount per maturity, optional and mandatory redemption provisions, sources and uses of funds and delivery dates of the Bonds; the City has reviewed the Preliminary Official Statement and, except for the offering prices, interest rates, selling commissions, principal amount per maturity, optional and mandatory redemption provisions, sources and uses of funds, delivery date of the Bonds, and the information relating to DTC and its affiliates and the book-entry only system of registration and transfer and related information under the caption "THE 2022 BONDS—Book-Entry-Only System", the over-allotment or stabilizing language on the inside front cover and the information relating to or provided by the Underwriter under the caption "MISCELLANEOUS – Underwriting" (collectively, "***Excluded Information***"), nothing has come to the City's attention that would cause the City to believe the information contained in the Preliminary Official Statement is not true and correct in all material respects or contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made in the Preliminary Official Statement, in light of the circumstances under which they were made, misleading; and as of its date and the Closing Date, the information to be contained in the Official Statement, except for the Excluded Information, will be true and correct in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made in the Official Statement, in light of the circumstances under which they are to be made, misleading.

(f) The City has duly enacted the Ordinance and duly authorized all necessary action to be taken by it for: (i) the issuance and sale of the Bonds upon the terms set forth herein, in the Ordinance and in the Official Statement; (ii) the approval of the Official Statement and the execution of the Official Statement by a duly authorized official; (iii) the application of the proceeds of the Bonds for the purposes described in the Official Statement; and (iv) the execution, delivery and receipt of this Purchase Contract, the Bonds and any and all such other agreements and documents as may be required to be executed, delivered, and received by the City in order to carry out, give effect to, and consummate the transactions contemplated hereby and by the Official Statement.

(g) The Bonds, when issued, delivered and paid for as herein and in the Ordinance provided, will have been duly authorized, executed, issued and delivered and will constitute limited obligations of the City entitled to the benefits and security of the Ordinance. The Bonds and the interest thereon do not constitute an indebtedness of the City within the meaning of any provision, limitation or restriction of the South Carolina Constitution (other than Article X, Section 14, Paragraph 10 of the South Carolina Constitution authorizing indebtedness payable solely from a revenue-producing project not involving revenues from any tax or license) or the laws of the State of South Carolina and are payable by the City solely from the Net Revenues of the System.

(h) The City, immediately after the Closing, will apply the proceeds from the sale of the Bonds as described in the Ordinance and the Preliminary Official Statement, and as more fully described in the certificates delivered at the Closing. The City will not knowingly take or omit to take any action, which action or omission will, in any way, cause the proceeds from the sale of the Bonds to be applied in a manner other than as provided in the Ordinance or would cause the interest on the Bonds to be includable in gross income for federal income tax purposes.

(i) Except as stated in the Preliminary Official Statement or the Official Statement, there is no action, suit, hearing, proceeding, inquiry or investigation at law or in equity or before or by any court, public board, agency or body pending or, to the best of the City's knowledge, threatened in writing against or directly affecting the City contesting the due organization and valid existence of the City or wherein an unfavorable decision, ruling or finding would, in any way, adversely affect (i) the

transactions contemplated hereby or by the Official Statement or the validity or due enactment of the Ordinance or the validity, due authorization and execution of the Bonds, this Purchase Contract or any agreement or instrument related to the Bonds or the System to which the City is a party and which is used or contemplated hereby or by the Official Statement, (ii) the federal tax-exempt status of the interest on the Bonds, (iii) the exemption of interest on the Bonds from taxation in South Carolina as described in Paragraph 5(j) below, (iv) the organization, existence or powers of the City or the title of the Mayor or any of the members of the City Council or any officers of the City, or (v) the business, properties or assets or the condition, financial or otherwise, of the City.

(j) The execution and delivery by the City of the Official Statement, this Purchase Contract and the other documents related to the Bonds or the System contemplated hereby and by the Official Statement, and the enactment of the Ordinance and compliance with the provisions thereof do not and will not conflict with or constitute on the part of the City a breach of or a default under any existing law, court or administrative regulation, decree, order or any agreement, indenture, mortgage or lease by which it is or, on the date of Closing, will be bound, and this Purchase Contract constitutes a legally binding obligation of the City enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity.

(k) There is no legislation enacted or, to the best of the City's knowledge, pending, the effect of which would be to remove the exemption of the interest on the Bonds from any taxation under the laws of South Carolina, except inheritance or other transfer taxes and certain franchise taxes.

(l) The City has not been notified of any listing or proposed listing of disqualification by the Internal Revenue Service to the effect that the City is a bond issuer that may not certify its bonds.

(m) If, between the date of this Purchase Contract and the End of the Underwriting Period (hereinafter defined), any event shall occur to the knowledge of the undersigned which could reasonably cause or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (other than the Excluded Information), the City shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Official Statement, the City will at its own expense forthwith prepare and furnish to the Underwriter (1) a sufficient number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will supplement or amend the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at such time, not misleading, and (2) if such notification shall be subsequent to the Closing, such legal opinion, certification, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

For purposes of this Purchase Contract: the "End of the Underwriting Period" shall mean the later of (1) the close of business on the 25th calendar day (unless that day is a Saturday, Sunday, or banking holiday, in which case, it shall be close of business on the next business day) following the Closing Date, unless the City has been notified in writing by the Underwriter on or prior to the Closing Date that the "End of the Underwriting Period" (for purposes of the Rule) will not occur on the Closing Date and (2) the date on which notice is given to the City by the Underwriter in accordance with the following sentence. In the event that the Underwriter has given notice to the City pursuant to clause (1) that the "End of the Underwriting Period" (for purposes of the Rule) will not occur on the Closing Date,

the Underwriter agrees to notify the City in writing as soon as practicable of the “End of the Underwriting Period” (for purposes of the Rule).

(m) Between the time of the City’s acceptance hereof and the Closing, the City will not have executed or issued any bonds or notes or incurred any other obligations for borrowed money, in each case, which are payable from, or secured by a pledge of, the Net Revenues of the System on a parity with the pledge thereof securing the Bonds, and there will not have been any adverse change of a material nature in the financial position, method of operation, or personnel of the System.

(n) Except as otherwise disclosed in the Preliminary Official Statement, the City is in material compliance with the City’s undertakings, as provided under the Rule and, to the City’s knowledge, the Securities and Exchange Commission’s (“SEC”) order dated August 24, 2016 (SEC Release No. 33-10143).

6. **Closing.** At 10:00 a.m., local (City of Columbia) time, on [Closing Date], 2022, or at such other time or such other date as shall have been agreed upon by the City and Underwriter, the City will deliver, or cause to be delivered, to the Underwriter the Bonds, in fully registered form, together with the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price of the Bonds to the City in Federal or other immediately available funds. Time shall be of the essence, and delivery at the time and place specified pursuant to this Purchase Contract is a further condition to the obligations of the Underwriter hereunder.

Payment and delivery of the Bonds as aforesaid shall be made at the offices of the City, or at such other place as the City and the Underwriter agree upon, provided, however, that the Bonds will be physically delivered to DTC in New York, New York, or pursuant to arrangements with DTC, to Regions Bank, as registrar (“**Registrar**”) under the terms of a “FAST” closing. Such payment and delivery is herein called the “Closing.” The Bonds will be delivered as fully registered Bonds in book-entry form, in the form of one certificate per maturity and registered in the name of “Cede & Co.” At the direction of the City, the Registrar shall release or authorize the release of the Bonds at the Closing to the Underwriter upon receipt of payment for the Bonds as aforesaid. In addition, the City and the Underwriter agree that there shall be a preliminary closing on _____, 2022, or on such other date agreed upon by the City and the Underwriter.

7. **Closing Conditions.** The Underwriter’s obligation to purchase the Bonds at the Closing is subject to the following conditions which must be performed in a timely fashion as set forth herein: (i) the performance by the City of its obligations to be performed hereunder and (ii) the following conditions, including the delivery by the City of such documents as are enumerated herein in form and substance reasonably satisfactory to the Underwriter:

(a) At the time of Closing, (i) the Official Statement shall not have been amended, modified or supplemented except as may be agreed to by the Underwriter, and the Ordinance shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter, (ii) the proceeds of the sale of the Bonds shall be applied as described in the Official Statement, (iii) all official action of the City related to the Bonds shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter, and (iv) the City shall have duly enacted and there shall be in full force and effect such proceedings as, in the opinion of Burr & Forman LLP and Johnson, Toal & Battiste, P.A., as co-bond counsel (“**Bond Counsel**”), shall be necessary in connection with the transactions contemplated hereby.

(b) The Underwriter shall have the right to cancel its obligation to purchase the Bonds (and such cancellation shall not constitute a default hereunder by the Underwriter) if between the date hereof and the Closing:

(i) legislation shall be enacted or be actively considered for enactment by the Congress, or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either House of the Congress by a committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or the United States Tax Court shall be rendered, or a ruling, regulation or official statement by or on behalf of the Treasury Department of the United States, the IRS or other governmental agency shall be made or proposed to be made with respect to federal taxation upon revenues or other income of the general character to be derived by the City or by any similar body, or upon interest on obligations of the general character of the Bonds, or other action or events shall have transpired that have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated in connection herewith, that, in the opinion of the Underwriter, materially and adversely affects the market price of the Bonds or the market price generally of obligations of the general character of the Bonds;

(ii) any legislation, ordinance or regulation shall be enacted or be actively considered for enactment by any governmental body, department or agency of the State, or a decision by any court of competent jurisdiction within the State shall be rendered that, in the opinion of the Underwriter, materially and adversely affects the market price of the Bonds;

(iii) any action shall have been taken by the SEC that would require the registration of the Bonds under the Securities Act of 1933, as amended ("*1933 Act*"), or the qualification of the Ordinance under the Trust Indenture Act of 1939, as amended, or it appears that the Underwriter, by selling the Bonds, would subject itself to liability under the 1933 Act, the 1934 Act or any blue sky law;

(iv) any event shall have occurred or shall exist that, in the opinion of the Underwriter, either (i) makes untrue or incorrect in any material respect any statement or information contained in the Official Statement, or (ii) is not reflected in the Official Statement and should be reflected therein in order to make the statements and information contained therein not misleading in any material respect;

(v) there shall have occurred any outbreak of, or escalation in, hostilities or other national or international calamity or crisis or a financial crisis, including, but not limited to, the United States engaging in hostilities, or a Declaration of War or a national emergency by the United States on or after the date hereof which, in the sole opinion of the Underwriter, would affect materially and adversely the ability of the Underwriter to market the Bonds;

(vi) trading shall be suspended, or new or additional trading or loan restrictions shall be imposed, by the New York Stock Exchange or other national securities exchange or governmental authority with respect to obligations of the general character of the Bonds or a general banking moratorium shall be declared by federal, South Carolina or New York authorities;

(vi) there shall have occurred any change in the financial condition or affairs of the City or the System the effect of which is, in the sole judgment of the Underwriter, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or delivery of the Bonds on the terms and in the manner contemplated by the Official Statement;

(vii) either of the ratings of the Bonds shall have been downgraded, or withdrawn, or becomes the subject of a published negative credit watch, which in the Underwriter's sole opinion, materially adversely affects the market price of the Bonds;

(viii) any litigation shall be instituted, pending or threatened to restrain or enjoin the issuance, sale or delivery of the Bonds or in any way contesting or questioning any authority for or the validity of the Bonds or the money or revenues pledged to the payment thereof or any of the proceedings of the City taken with respect to the issuance and sale thereof;

(ix) the "blue sky" or securities commission of any state in the United States has withheld registration, exemption, or clearance of the offering of the Bonds, and, in the sole opinion of the Underwriter, the effect of the withholding will materially and adversely affect the market price or marketability of the Bonds;

(x) the purchase of and payment for the Bonds by the Underwriter, or their resale or reoffering by the Underwriter, on the terms and conditions contemplated by this Purchase Contract and the Official Statement, is prohibited by any applicable law or governmental regulation or by order of any court, government authority, board, agency, or commission or would subject the Underwriter to liability under the 1933 Act, the 1934 Act, common law or otherwise;

(xi) additional material restrictions not in force on the date of this Purchase Contract have been imposed on trading in securities generally or by a governmental authority or Financial Industry Regulatory Authority, Inc.; or

(xii) there shall have occurred any event other than those listed above, the effect of which is, in the reasonable and exclusive judgment of the Underwriter, material and adverse to make it impractical or inadvisable to proceed with the offering of the Bonds on the terms and in the manner contemplated by the Official Statement.

(c) At the time of Closing, the City shall have duly adopted all proceedings required by the Enabling Act and all other applicable laws and regulations, State or federal, necessary to enable Bond Counsel to deliver an unqualified opinion with respect to due authorization, execution and delivery of the Bonds.

(d) The Underwriter shall have received, within a sufficient time period for such Official Statements to accompany confirmations delivered by the Underwriter to potential investors in accordance with the Rules of the MSRB but in no event later than seven business days following the date hereof, a quantity of Official Statements adequate to enable the Underwriter to meet the continuing obligations imposed on it by the Rule.

(e) At or prior to the Closing, the Underwriter shall receive one executed original of the following documents, unless otherwise indicated:

(i)(A) the unqualified approving opinions of Co-Bond Counsel each dated the date of Closing, addressed to the City in substantially the forms of Appendix “D” of the Official Statement, and (B) supplemental opinions of Bond Counsel, each dated the date of Closing and addressed to the Underwriter, in substantially the forms set forth in Exhibit B attached hereto;

(vi) a certified copy of the Ordinance;

(vii) a copy of the Official Statement executed on behalf of the City by a duly authorized official of the City;

(viii) an executed copy of the Disclosure Dissemination Agent Agreement dated the date of Closing, between the City and Digital Assurance Certification, L.L.C.;

(xi) other certificates of the City or information of the City contained in certificates listed in the Closing Memorandum to be approved by counsel to the City and Co-Bond Counsel, and such additional opinions, as Bond Counsel may reasonably request to evidence (A) compliance by the City with legal requirements, (B) the truth and accuracy, as of the time of Closing, of the respective representations of the City contained herein and (C) the due performance or satisfaction by the City at or prior to such time, of all agreements then to be performed and of all conditions then to be satisfied by the City.

If the City shall be unable to satisfy the conditions or the obligations contained in this Purchase Contract, or if the obligation of the Underwriter to purchase and accept delivery of the Bonds shall be terminated for any reason permitted by this Purchase Contract or, at the election of the City, if the Closing shall not occur by the end of business on [Closing Date], 2022, or such alternative date as the parties may mutually establish, this Purchase Contract shall terminate and neither the Underwriter nor the City shall be under further obligation hereunder; except that the respective obligations to pay expenses to the extent applicable, as provided in Paragraph 13 hereof, shall continue in full force and effect.

The delivery of any certificate that is required to be delivered in accordance with this Purchase Contract shall be deemed to have been made if the terms of that certificate are included to the satisfaction of the Underwriter within any one certificate or any number of other certificates delivered or caused to be delivered by the party responsible for delivery.

8. ***Issue Price Certificate.*** At the Closing, contemporaneously with the receipt of the Bonds, the Underwriter will deliver to the City a receipt therefor and a certificate as to issue price of the Bonds confirming their reasonable expectations regarding the representations set forth in Paragraph number 4 hereof and as to such other matters reasonable required in order to enable Burr & Forman LLP, as Bond Counsel, to render an opinion as to the exclusion from gross income for federal income tax purposes of interest on the Bonds.

9. ***Opinions of Bond Counsel.*** The City will furnish to the Underwriter a reasonable supply of copies of the opinions of Bond Counsel to accompany delivery of the Bonds.

10. ***Annual Audits.*** The City agrees to furnish to the Underwriter, upon reasonable request during the life of the outstanding Bonds, a copy of each annual audit report for the System issued by the City from time to time.

11. ***Mutual Performance.*** The obligations of the City hereunder are subject to the performance by the Underwriter of its obligations hereunder.

12. ***Survival of City's Representations, Warranties and Agreements.*** All representations, warranties and agreements of the City hereunder shall remain operative and in full force and effect, regardless of any investigations made by or on behalf of the Underwriter and shall survive delivery and payment of the Bonds.

13. ***Payment of Expenses.*** If the Bonds are sold to the Underwriter by the City, the City shall pay, out of the proceeds of the Bonds, any expenses incident to the performance of its obligations hereunder including but not limited to: (a) the costs of the preparation of the Preliminary Official Statement and Official Statement for the Bonds, including the costs of all proofs and production of final proof, together with the number of copies which the Underwriter deems reasonable and the costs of delivery of the Preliminary Official Statement and Official Statement; (b) the cost of the preparation, printing and delivery of the Bonds in fully-registered form; (c) the fees and disbursements of Bond Counsel, Co-Counsel to the Underwriter and any other experts or consultants retained by the City, including the City's Attorney, financial advisor, independent engineers, accountants, consultants and the charges of Moody's and S&P; and (d) fees and costs of the Registrar/Paying Agent and Escrow Agent.

The Underwriter shall pay (a) all advertising expenses in connection with the public offering of the Bonds; (b) all expenses incurred by it in connection with its public offering and distribution of the Bonds, including, but not limited to, the fees and disbursements of any counsel retained by them (other than fees and disbursements of Co-Counsel to the Underwriter described in paragraph 13); and (c) the cost of preparing and printing the blue sky and legal investment memoranda and the disbursements for filing fees in connection with the aforesaid blue sky and legal investment memoranda.

(b) Not to supplement or amend, or cause to be supplemented or amended, the Official Statement or the Ordinance from the date of this Purchase Contract through the End of the Underwriting Period, without the prior written consent of the Underwriter;

(c) Through the End of the Underwriting Period, to prepare any amendment or supplement to the Official Statement that may, in the judgment of the City or the Underwriter, be required so that the Official Statement as amended or supplemented will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(d) To advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose;

(e) To cooperate with the Underwriter including furnishing such information, executing such instruments and taking such other action in cooperation with the Underwriter as may be required to qualify the Bonds for offering and sale under the "blue sky" or other laws of such jurisdictions as the Underwriter may designate; provided that in connection with such qualification the City shall not be obligated to take any action that would subject it to the general service of process in any state where it is not now subject;

(f) Not to take or omit to take any action, which action or omission will adversely affect the exemption from federal income taxation of interest on the Bonds under the Internal Revenue Code of 1986, as amended; and

(g) Not to take or omit to take any action which action or omission will in any way cause the proceeds of the Bonds to be applied in a manner contrary to that described in the Ordinance or the Official Statement.

15. **Notices.** Any notice or other communication to be given to the City under this Purchase Contract may be given by delivering the same in writing at its address set forth above, and any notice or other communication to be given to the Underwriter under this Purchase Contract may be given by delivering the same in writing to PNC Capital Markets, 4720 Piedmont Row, Suite 200, Charlotte, NC 28210, Attention: David Fischer.

16. **Establishment of Issue Price.** The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached as Exhibit G, with modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Burr & Forman LLP, as Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

The City will treat the first price at which 10% of each maturity of the Bonds ("10% test") is sold, on the sale date, to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the City the price or prices at which the Underwriter has sold, on the sale date, to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which Bonds of that maturity have been sold by the

Underwriter to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Purchase Contract by all parties.

17. ***Arm’s-Length Transaction.*** The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Purchase Contract is an arm’s-length commercial transaction between the City and the Underwriter, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent or fiduciary of the City, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the offering contemplated hereby or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the City on other matters) and the Underwriter has no obligation to the City with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Contract, (iv) the Underwriter has financial and other interests that differ from those of the City, and (v) the City has consulted its own legal, financial, and other advisors to the extent it has deemed appropriate.

18. ***Parties in Interest.*** This Purchase Contract is made solely for the benefit of the City and the Underwriter (including any successors or assigns of the Underwriter) and no other person shall acquire or have any right hereunder or by virtue hereof, except that the representation, warranties, and agreements of the City contained in this Purchase Contract shall also be deemed to be for the benefit of the person or persons, if any, who control the Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act. Nothing in this Purchase Contract is intended or shall be construed to give any person, other than the persons referred to in this paragraph, any legal or equitable right, remedy or claim under or in respect of this Purchase Contract or any provision contained herein. All of the

representations, warranties and agreements of the City contained herein shall remain in full force and effect, regardless of (a) any investigation made by or on behalf of any Underwriter, (b) delivery of the Bonds and payment of amounts required hereunder by or for the City or (c) any termination of this Purchase Contract.

19. ***Governing Law.*** This Purchase Contract shall be governed by and construed in accordance with the laws of the State of South Carolina.

20. ***Effectiveness; Counterpart Execution.*** This Purchase Contract shall become effective upon your acceptance and execution hereof and may be executed in counterparts and such counterparts shall constitute one and the same instrument.

21. ***No Liability.*** Neither the Mayor or members of the City Council, nor any officer, agent, attorney or employee as such, in his or her individual capacity, past, present or future of the City, either directly or through the City, shall be charged personally by the Underwriter with any liability, or held liable to such Underwriter under any term or provision of this Purchase Contract or because of its execution or contemplated execution, or because of any breach or attempted or alleged breach thereof. It is expressly agreed and understood that the obligations of the City under this Purchase Contract are solely corporate obligations and that no personal liability whatsoever shall attach to, or be incurred by, any past, present or future officer, agent, attorney or employee thereof. All personal liability of any character against every such past, present or future officer, agent, attorney and employee of the City is, by the execution of this Purchase Contract and as a condition of, and as part of the consideration for, the execution of this Purchase Contract, expressly waived and released. The immunity of the past, present or future officers, agents, attorneys and employees of the City under the provision contained in this Section shall survive the termination of this Purchase Contract.

City of Columbia, South Carolina
Waterworks and Sewer System Revenue Bonds
Series 2022

As City Attorney to the City of Columbia, South Carolina, a municipal corporation and political subdivision created pursuant to the laws of the State of South Carolina (“City”), I have considered the validity of the City’s \$(Bond Amount) original principal amount Waterworks and Sewer System Revenue Bonds, Series 2022 (“Bonds”). This opinion is being delivered to you pursuant to paragraph 7(e)(iv) of the Purchase Contract dated [Pricing Date], 2022 (“Purchase Contract”) between the City and you as the underwriter (“Underwriter”). Capitalized terms not otherwise defined herein shall have the meanings assigned such terms in the Purchase Contract.

In connection therewith, I have examined:

1. Title 6, Chapter 17 of the Code of Laws of South Carolina, 1976, as amended;
2. The Purchase Contract;
3. The Official Statement dated [Pricing Date], 2022 (“Official Statement”), relating to the Bonds, provided, however, that I have not reviewed any electronic version of the Official Statement and assume that any such version is identical in all respects to the printed version;
4. The General Bond Ordinance No. 93-43 enacted by City Council (“City Council”) of the City on May 21, 1993 (“General Ordinance”), as amended and supplemented, including as amended and supplemented particularly by the Fifteenth Supplemental Ordinance No. 2022-[Ordinance Number], enacted by the City Council on [Ordinance Date], 2022 (collectively, the “Ordinance”);
5. The Disclosure Dissemination Agent Agreement dated the date hereof between the City and Digital Assurance Certification, L.L.C. (“Disclosure Agreement” and with the Purchase Contract, “City Agreements”); and
6. Such other documents and instruments and proceedings of the City as I have deemed relevant.

As to questions of fact material to my opinion, I have relied upon representations and other certifications of officials of the City without undertaking to verify the same by independent investigation.

Based on the foregoing, I am of the opinion that as of this date:

1. The City is a political subdivision validly existing under the Constitution and laws of the State of South Carolina, and has all requisite power and authority (i) to enact and implement the Ordinance and to issue, sell and deliver the Bonds and (ii) to conduct its business as currently being conducted and as proposed to be conducted and as described in the Official Statement and to carry out the transactions contemplated by the Purchase Contract and the Official Statement.

2. Each of the City Agreements has been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the applicable parties thereto, constitutes a legal, valid and binding agreement enforceable against the City in accordance with its terms (except that the enforceability thereof may be subject to the exercise of judicial discretion in accordance with general principles of equity and to bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable); provided, however, that no opinion is expressed as to the enforceability of the indemnity or choice of law provisions thereof.

3. The City has taken all action legally required of it to enact and to implement the Ordinance and to authorize the issuance, sale and delivery of the Bonds. The Ordinance has been duly enacted by the City Council.

4. To the best of my knowledge and after due inquiry, the City is not in default in any material respect under any material agreement or other instrument related to the Bonds or the System to which it is a party or by which it may be bound.

5. There are no consents, approvals or authorizations of the State of South Carolina or any local governmental authority required on the part of the City in connection with the enactment and implementation of the Ordinance and the execution and delivery of the Purchase Contract, provided, however, that there is no opinion given with respect to compliance with any state securities laws or "blue sky" laws of any jurisdiction.

6. To the best of my knowledge and after due inquiry and except as disclosed in the Official Statement, there are no proceedings or investigations pending or threatened in writing against the City in any court or before any governmental authority or arbitration board or tribunal, wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by the Purchase Contract and the Official Statement or which, in any way, would adversely affect the validity and enforceability of the Bonds, or any agreement or instrument related to the Bonds or the System to which the City is a party and which is used or contemplated by the foregoing.

7. To the best of my knowledge and after due inquiry, the City in all material respects has good and proper title to the System as described in the Official Statement.

8. None of the proceedings held or actions taken by the City with respect to the Ordinance, the City Agreements or the Bonds have been repealed, rescinded or revoked.

Very truly yours,

See “SOURCES AND USES OF FUNDS” and “PLAN OF FINANCE.”

THE SERIES 2022 BONDS

General

The Series 2022 Bonds will be dated their date of delivery, will mature on February 1 in the years and in the principal amounts set forth on the inside cover page hereto, and will bear interest at the rates per annum (calculated on the basis of a 360-day year comprised of twelve 30-day months) set forth on the inside cover page hereto, payable on August 1, 2023 and semiannually thereafter on February 1 and August 1 of each year (each, an “Interest Payment Date”). So long as the Series 2022 Bonds are in book-entry form and are registered in the name of Cede & Co., as the nominee of The

Depository Trust Company, New York, New York ("DTC"), payments on the Series 2022 Bonds will be made as set forth in "APPENDIX F - BOOK-ENTRY SYSTEM," attached hereto. Limited Obligations

THE SERIES 2022 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE CITY WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION (OTHER THAN ARTICLE X, SECTION 14, PARAGRAPH 10 OF THE SOUTH CAROLINA CONSTITUTION AUTHORIZING OBLIGATIONS PAYABLE SOLELY FROM SPECIAL SOURCES NOT INVOLVING REVENUES FROM ANY TAX OR LICENSE) OR STATUTORY LIMITATION. THE SERIES 2022 BONDS SHALL NOT CONSTITUTE DEBT OF THE CITY, NOR A CHARGE, LIEN OR ENCUMBRANCE, LEGAL OR EQUITABLE, ON ANY PROPERTY OF THE CITY OR ON ANY INCOME, RECEIPTS OR REVENUES THEREOF, OTHER THAN THE NET REVENUES OF THE SYSTEM PLEDGED THERETO. NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE SERIES 2022 BONDS OR THE INTEREST THEREON AGAINST THE GENERAL FUND OF THE CITY AND NEITHER THE CREDIT NOR THE TAXING POWER OF THE CITY SHALL BE DEEMED TO BE PLEDGED THERETO. THE FULL FAITH, CREDIT AND TAXING POWERS OF THE CITY ARE NOT PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2022 BONDS.

Rate Covenant

The City has covenanted in the Ordinance to operate the System in an efficient and economical manner and establish, levy, maintain, revise and collect such fees, rates and other charges for the use of the services and facilities furnished by the System as may be necessary or proper, which fees, rates and other charges, together with other Revenues and other available moneys, will at all times be sufficient after making due and reasonable allowances for contingencies and for a margin of error in estimates, to provide in each July 1 through June 30 fiscal year of the City, an amount equal to:

- (a) 100 percent of the amounts required to pay Expenses of Operating and Maintaining the System for the then current fiscal year;
- (b) 110 percent of the amounts required to be deposited into each Debt Service Fund (as defined in APPENDIX C), for the Bonds for the then current fiscal year;
- (c) 100 percent of the amounts required to be deposited to each Debt Service Reserve Fund (as defined herein), if any, for the Bonds for the then current fiscal year;
- (d) 100 percent of the amounts required to provide for payment of any Junior Bonds (as defined herein) in the then current fiscal year; and
- (e) any amounts necessary to comply in all respects with the terms of the Ordinance or any other contract or agreement with the holder of a Bond.

Disposition of Revenues and Funds Established by the Ordinance

The following are the additional funds and accounts created and established by the Ordinance:

- (a) Debt Service Fund to be held by the City, including an Interest Account and Principal Account (as such terms are defined in APPENDIX C);
- (b) Debt Service Reserve Fund, if any, to be held by the City; and
- (c) Contingent Fund and Depreciation Fund, each to be held by the City subject to the provisions of the Ordinance described in APPENDIX C hereto under the heading "SUMMARY OF ORDINANCE – Creation and Flow of Funds" and "– Funds Created Under General Bond Ordinance."

The Revenues of the System shall be applied at the times, in the amounts and for the purposes as provided or permitted by the Ordinance, and in the following order of priority:

First, for the payment of Expenses of Operating and Maintaining the System;

Second, into the respective Debt Service Funds, the amounts required by the Ordinance or any supplemental ordinance; and

Third, into the respective Debt Service Reserve Funds, if any, the amounts required by the Ordinance or any supplemental ordinance.

If, after applying Revenues of the System as set forth above, there are Revenues remaining, such Revenues shall then be used, first, for the payment of Junior Bonds or to meet any other obligations of the City which are or which shall become charges, liens or encumbrances on the Revenues of the System, junior and subordinate to the lien on the Net Revenues securing the Bonds (including, but not limited to, termination payments under the Series 2009 Swap (as defined herein) and the payment of interest on amounts advanced by the provider of any surety bond, insurance policy or letter of credit as contemplated by the Ordinance; second, to make such deposits to the Contingent Fund as required by the Ordinance to provide for adequate funds for improvements to the System and build up a proper reserve against contingencies and to the Depreciation Fund as required by the Ordinance to build up a proper reserve for depreciation of the System and third, as the City Council shall from time to time determine to be in the best interest of the City.

Debt Service Reserve Funds

The Ordinance provides that the City, pursuant to an ordinance authorizing the issuance of a series of Bonds, may provide for the establishment of a debt service reserve fund (each, a "Debt Service Reserve Fund") to be used solely for the purpose of preventing a default in the payment of principal of or interest or premium, if any, on the Bonds of such series.

Whenever the aggregate value of cash and securities in a Debt Service Reserve Fund shall be less than the reserve fund requirement, if any, established with respect to such fund pursuant to a supplemental ordinance authorizing a series of Bonds ("Reserve Fund Requirement"), there shall be deposited in such Debt Service Reserve Fund that amount which, together with equal, successive, monthly deposits in the same amount, will restore the value of the cash and securities in such Debt Service Reserve Fund to the applicable Reserve Fund Requirement during the succeeding 12 months. See "APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE ORDINANCE" under the heading "SUMMARY OF ORDINANCE – Funds Created Under General Bond Ordinance – *Debt Service Reserve Funds*."

THERE WILL BE NO DEBT SERVICE RESERVE FUND ESTABLISHED FOR OR FUNDED WITH THE PROCEEDS OF THE SERIES 2022 BONDS.

Additional and Refunding Bonds

The City may issue Additional Bonds on a parity (with respect to the pledge of and lien on Net Revenues) with the Series 2022 Bonds subject to certain conditions set forth in the Ordinance, including, in the case of Additional Bonds issued other than for the purpose of refunding outstanding Bonds, the requirement that there will be delivered a report, which report is not required to be based on the latest audit of the City, from the City Manager or Finance Director of the City, an Accountant or a Consulting Engineer (as such terms are defined in APPENDIX C), stating that the amount of the Net Revenues of the System for any consecutive 12-month period out of the last 24-month period ("Test Period") is not less than 130 percent of the sum of the highest combined interest and principal requirements in any fiscal year ("Maximum Debt

Service,” as more particularly defined in APPENDIX C) on the Bonds to be outstanding after the issuance of such Additional Bonds for any succeeding fiscal year, provided the amount of Net Revenues for such 12-month period may be adjusted by adding the following:

- (a) in case the rates and charges for the services furnished by the System have been revised and such revised rates and charges have gone into effect prior to the delivery of the Additional Bonds proposed to be issued, the additional amount of Net Revenues which would have been realized during the Test Period if such rates and charges had been in effect during such Test Period as determined by a Consulting Engineer or an Accountant; and
- (b) in case an existing sewer system, existing water system or any other public utility system is to be acquired and combined or made a part of the System from the proceeds of the Additional Bonds proposed to be issued, the additional amount of Net Revenues which would have been realized during the Test Period if such existing system or systems to be acquired had been a part of the System during such Test Period (which computation of the additional amount of Net Revenues will be based on the method of computing Net Revenues under the Ordinance and approved by a Consulting Engineer or an Accountant).

Without complying with the foregoing debt service coverage provisions, Additional Bonds may be issued for the purpose of refunding (including by purchase) bonds provided that the Debt Service on all Bonds to be outstanding after the issuance of the proposed series of refunding bonds must not be greater than would have been the Debt Service on all Bonds not then refunded and the Bonds to be refunded. See “APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE ORDINANCE” under the heading “SUMMARY OF ORDINANCE – Additional Bonds – *Parity Obligations*.” The term “Debt Service” means, with respect to each series of Bonds and any particular fiscal year, the aggregate of the amounts to be paid or set aside (or estimated to be required to be paid or set aside) in the applicable Debt Service Fund in such fiscal year for the payment of the principal of, redemption premium, if any, and interest (to the extent not capitalized) on such series of Bonds and is subject to additional adjustments or assumptions as further described in APPENDIX C.

Junior Bonds and Special Facilities Bonds

The City may issue bonds secured by a pledge of Net Revenues junior and subordinate in all respects to the pledge securing the Series 2022 Bonds or any other obligation or form of indebtedness, including lease purchase obligations secured by a pledge of Net Revenues, after provision has been made for all payments required to be made with respect to the Series 2022 Bonds (“Junior Bonds”), in such amount as it may from time to time determine. The pledge of Net Revenues securing Junior Bonds must at all times be and remain subordinate and inferior in all respects to the pledge of Net Revenues securing the Series 2022 Bonds. Junior Bonds may be issued to secure funds to defray the cost of improving, extending, enlarging or repairing the System, including the acquisition of a system to be combined into the System, or to refund the Series 2022 Bonds or any other Bonds, Junior Bonds, or any notes, bonds, or other obligations issued to finance or to aid in financing the acquisition, construction or improvement of the System. See “APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE ORDINANCE” under the heading “SUMMARY OF ORDINANCE – Additional Bonds – *Junior Bonds*.”

The City may also enter into contracts, leases or other agreements pursuant to which it will agree to construct, operate and pay the costs of Special Facilities which may or may not be discrete and separate units of the System. These Special Facilities may be financed through the issuance of Special Facilities Bonds, subject to certain conditions with respect to the ability of the Special Facilities to generate sufficient revenues to pay for such Special Facilities Bonds. See “APPENDIX C – SUMMARY OF CERTAIN PROVISIONS OF THE ORDINANCE” under the heading “SUMMARY OF ORDINANCE – Additional Bonds – *Special Facilities Bonds*.”

(a) This line item includes expenditures primarily related to the Rain Event, as defined and more particularly described under "THE CITY AND THE SYSTEM – Impact of Weather Event" herein.

(b) Represents amounts received by the City from federal and state sources for reimbursement of expenses primarily related to the Rain Event.

(c) The "Amortization of Bond Costs-Deferred Charges," represents a combination of two ACFR line items: "Bond Related

Costs,” and “Amortization of Deferred Charges.” The separation of the two items in the ACFR reflects that, pursuant to GASB Statement No. 65, bond issuance costs are no longer amortized.

(d) The increase in Interest Expense from Fiscal Year 2018 to the fiscal year ended June 30, 2019 (“Fiscal Year 2019”) is primarily a result of the City’s implementation of GASB Statement No. 89, which requires that interest cost incurred before the end of a construction period be recognized as an expense. Increases in Interest Expense in Fiscal Year 2021 are attributable to the issuance of additional revenue bonds.

(e) The Net Position-Beginning was restated from \$545,626,367 to \$505,562,157 as a result of the City’s discovery that prior year FEMA grant revenues were overstated and OPEB (as defined herein) liability and related expense were not properly allocated. The City corrected the overstatement and the allocation by decreasing beginning fund balance by \$4,265,179 and \$35,799,031, respectively.

NOTE: Totals may not sum due to rounding.

Management’s Discussion and Analysis

The System’s financial condition remains sound. Debt service coverage exceeds required levels, Operating Revenues remain strong, and management has continued its program of aggressive upgrades to System infrastructure. The City’s main initiatives within the past five fiscal years have been “Clean Water 2020,” which includes continued repairs and upgrades to the Sanitary Sewer System to prevent sanitary sewer outflows in compliance with the Consent Decree (as defined herein), and customer-service driven initiatives comprised primarily of the implementation of an automated meter reading system which will continue through 2022.

In the most recent fiscal years, although the City has increased its number of customers, water sales have largely remained flat due to increasing water efficiency and conservation and above-average precipitation. However, the City still experienced overall growth in Charges for Services for Fiscal Year 2018, Fiscal Year 2019 and Fiscal Year 2020 due to the City Council increasing combined water and sewer rates 4.75%, 9.76% and 7.06%, respectively. In light of the COVID-19 pandemic, City Council elected not to impose a rate increase for Fiscal Year 2021. The slight decline in Charges for Services for Fiscal Year 2021 is attributable to remote work policies implemented during the pandemic and an increase in bad debt expense from \$4,974,107 in Fiscal Year 2020 to \$9,711,122 in Fiscal Year 2021. See “-Historical Debt Service Coverage of the System” below. As a result of a reduction in bad debt expense to \$[], a 6.1% increase in water production and a 5.02% rate increase approved by City Council and instituted in Fiscal Year 2022, Charges for Services increased by []% in Fiscal Year 2022 over the prior year. City Council voted not to impose a rate increase in the fiscal year ended June 30, 2023 (“Fiscal Year 2023”).

In Fiscal Year 2019 and again in Fiscal Year 2021, the City experienced increases in Other Services and Charges over prior fiscal years, largely due to expenditures for professional services relating to assessments of the System infrastructure, which among other things, are being undertaken for purposes of complying with the Consent Decree and preliminary design plans for future System improvements which are not immediately undertaken.

The City has also incurred additional operating expenses during certain fiscal years due to expenditures related to the Rain Event, as defined in and more particularly described under “THE CITY AND THE SYSTEM – Impact of Weather Event” herein. For Fiscal Year 2019, Fiscal Year 2020, [and] Fiscal Year 2021 [and Fiscal Year 2022], Rain Event-related expenses were partially offset by Federal Emergency Management Agency (“FEMA”) grant revenues received during the same reporting periods of \$52,971, \$723,148, \$1,481,643, and \$[], respectively. The City did not receive any FEMA grant revenues in Fiscal Year 2018 to offset the Rain Event-related expenses incurred during the same reporting period.

Investment Income substantially increased in Fiscal Year 2019 and remained strong in Fiscal Year 2020 as a result of favorable market conditions and redeploying the City’s investments following an analysis of the performance of its investments and bank accounts.

Historical Debt Service Coverage of the System

The following table sets forth the Revenues, Expenses of Operating and Maintaining the System, Net Revenues, debt service requirements and debt service coverage of the System for Fiscal Year 2018 through Fiscal Year 2022.

2021 ²	160,747,203	96,047,152	64,700,051	41,892,588	1.54x
2022 ⁴	[]	[]	[]	43,424,754	[]x

¹ Revenues in Fiscal Year 2019 through Fiscal Year [2022] include amounts received from federal and state sources primarily for reimbursement of Rain Event-related expenses. Expenses of Operating and Maintaining the System for Fiscal Year 2018 through Fiscal Year [2022] include expenses related primarily to the Rain Event. See “FINANCIAL FACTORS – Five-Year Summary” herein.

² Debt service on the 2019 Bonds does not include any reduction related to the application of capitalized interest.

³ The City made certain amendments to the General Ordinance which took effect upon issuance of the 2019 Bonds. The financial impact of these amendments are included in the calculations of Expenses of Operating and Maintaining the System, Net Revenues, and debt service coverage beginning with Fiscal Year 2020.

⁴ Debt service on the 2021 Bonds does not include any reduction related to the application of capitalized interest.

⁵ The City incurred bad debt expense in Fiscal Year 2018 of \$1,221,642, in Fiscal Year 2019 of \$2,089,004, in Fiscal Year 2020 of \$4,974,107, in Fiscal Year 2021 of \$9,711,122, and in Fiscal Year 2022 of \$[]. All amounts written off due to bad debt expense cause a corresponding decrease to Revenues, Net Revenues and debt service coverage. [The increases in bad debt expense in Fiscal Year 2020 and Fiscal Year 2021 were driven by pandemic-related economic factors. Based on the decrease in bad debt expense in Fiscal Year 2022, the City expects bad debt expense to return to pre-pandemic levels going forward.] See “THE CITY AND THE SYSTEM – Water and Sewer Billing and Collection Policies” herein.

2023	\$83,213,000	\$45,361,113	\$[]	\$45,361,113	1.83x
2024	83,213,000	45,359,624			
2025	83,213,000	45,355,613			
2026	83,213,000	45,359,458			
2027	83,213,000	45,350,638			

[†] Net revenues for Fiscal Year 2023 have been calculated utilizing the System's most recent rate study which reflects (i) no additional rate increases adopted by City Council since a 5.02% increase went into effect on July 1, 2021, (ii) assumed 0.75% growth in customer accounts between Fiscal Year 2022 and Fiscal Year 2023, and (iii) assumed 4.00% increase in operating expenses between Fiscal Year 2022 and Fiscal Year 2023. No additional changes in revenues or expenses are assumed for the fiscal years ending June 30, 2024 through 2027.

^{††} Debt service on the Series 2022 Bonds assumes (i) a project fund deposit of \$78 million, (ii) approximately level annual debt service and a final maturity of February 1, 2052, (iii) no debt service reserve fund, and (iv) a true interest cost of []%.

The figures set forth in the table above are projections. The actual results of operations of the System will be dependent on the amounts by which revenues and expenses increase or decrease. Revenues will be dependent on the actual number of System customers, levels of customer usage, the rates charged by the City and other factors. Expenses will be dependent on the actual levels of customer usage, the number of customers, rates, the cost of treating water and wastewater, future maintenance requirements, financing needs, health care, retirement and post-employment requirements, and other factors. Further, debt service takes into account solely the bonds described above, and does not take into account future indebtedness or future water and sewer rate increases or decreases that may be approved by City Council. No assurance can be given that the projections set forth above will be realized.

THE CITY AND THE SYSTEM

General Description

The City, located at the geographic center of the State, was formed in 1786. It is the county seat of the County and the capital of the State. In addition to being the governmental center of the State, the City is also the business, finance, education and transportation center of the State. The System provides water treatment and distribution services through its waterworks system (the "Waterworks System") to approximately [] billed water accounts in the Columbia Metropolitan Statistical Area (the "Columbia MSA"), including approximately [] In-City customers and [] Out-of-City customers, as of

the end of Fiscal Year 2022. The System provides sewer treatment and collection services through its Sanitary Sewer System to approximately [] billed sewer customers in the Columbia MSA, including approximately [] In-City customers and [] Out-of-City customers, as of the end of Fiscal Year 2022.

For further information regarding the City and the Columbia MSA, see APPENDIX B attached hereto.

Administration of the City

The City is governed by a council-manager form of government. The Mayor and City Council, who are elected for four-year staggered terms, are vested with the legislative and policy-making powers of the City. Day-to-day activities are administered by a council-appointed City Manager who serves as the chief executive officer of the City and is responsible to the City Council for proper administration of all affairs of the City. The City Manager serves an indefinite term and is subject to removal by a majority vote of the City Council. Financial affairs are under the supervision of the Assistant City Manager for Finance and Economic Services who is appointed by the City Manager. The Finance Director reports to the Assistant City Manager for Finance and Economic Services and is responsible for debt administration, investments and appropriation expenditures and is custodian of all City funds.

The present members of the City Council, their occupations, and the dates which their current terms end are as follows:

Teresa B. Wilson has served as City Manager since January 2013. Ms. Wilson has served as the City's Director of Governmental Affairs and Assistant City Manager for Community Programs, Economic Development and Government Services. Ms. Wilson graduated from the University of South Carolina's Honors College and the University of South Carolina School of Law. Prior to joining the City, Ms. Wilson served as Government and Community Relations Coordinator for the University of South Carolina's Office of the President, and also served as a liaison for the University of South Carolina and the City of Columbia, as well as a number of community organizations.

Jeffery M. Palen has served as the Assistant City Manager for Finance and Economic Services and Chief Financial Officer since January 2013. Prior to his current position, Mr. Palen served as the City's Treasurer beginning in November 2008, and as hospital chief financial officer with Health Management Associates from 2005 to 2008. Mr. Palen graduated with a Bachelor of Science in Business and a Master's Degree in Business Administration from the University of South Carolina. Mr. Palen has held various positions in both the private and public sectors, including serving as the Deputy Treasurer and the Deputy Auditor for Lexington County.

Kristine Githara was hired as the City's Finance Director on March 21, 2022. Prior to joining the City, Ms. Githara was most recently the Deputy Finance Director at the City of Littleton in Colorado. Prior to her time in Littleton, Ms. Githara worked in finance with a public school system for 15 years and earned her CPA while working as an auditor for an accounting firm that provided services to cities, counties and school districts. Ms. Githara is a graduate of Marquette University.

The System operates under the name "Columbia Water," and is administered by the City through the City Manager. Under the City Manager's direction, the financial operations of the System are administered by the Assistant City Manager for Finance and Economic Services. The Utilities Department operates the System's two water treatment plants, water storage and pumping stations, and the wastewater plant and sewer lift stations, and maintains all water distribution and treatment sewer collection mains. A total of approximately 500 persons are employed in managerial, clerical, maintenance and other capacities relating to the System.

The Assistant City Manager of Columbia Water is Clint Shealy, P.E., who has served in this capacity since July 2017. Mr. Shealy is a licensed Water Treatment Plant Operator and Professional Engineer. Prior to being named Assistant City Manager of Columbia Water, Mr. Shealy served as the City's Director of Utilities and Water Works Superintendent. Prior to coming to Columbia Water, Mr. Shealy worked for the South Carolina Department of Health and Environmental Control and engineering firms BP Barber & Associates, Inc. and Black and Veatch Corporation. Mr. Shealy is a registered Professional Engineer in the State. He earned his Bachelor of Science degree in Engineering from Clemson University.

Initial recommendations for expansion or renovation of the System are made by the Assistant City Manager of Columbia Water. The recommendations are then reviewed by the City Manager and submitted to the City Council for review and approval as part of the budget process. Increases in rates for the System must be reviewed and adopted by the City Council prior to going into effect.

Service Area

The service area of the Waterworks System includes all of the City of Columbia, portions of the County and Lexington County, as well as the City of Forest Acres, the Towns of Arcadia Lakes, Chapin and Irmo, and the Fort Jackson Military Reservation ("Fort Jackson"). The service area of the Sanitary Sewer System includes all of the City of Columbia and portions of the County, including Fort Jackson, and portions of Lexington County and the City of West Columbia. The entire System covers approximately 320 square miles with a population of approximately 410,000 persons living within that area. The population in the overall service area of the System has generally been increasing since the 1950s due in large measure to the growth of the service area of the System outside of the City.

The City has exclusive rights to provide water and sewer services within the City limits and non-exclusive rights outside of the City limits. Both the County and Lexington County have the legal authority to provide water and sewer service within the unincorporated areas of those counties not presently served by municipalities or special purpose districts, but each has only provided services on a limited basis. The County currently provides water or sewer services only in small, isolated areas. Lexington County and several municipalities in Lexington County formed the Joint Municipal Water and Sewer Commission ("JMWSC") for the purpose of providing water and sewer services on an integrated, county-wide basis, but it is the City's understanding that neither JMWSC nor Lexington County intend to provide water or sewer services in unincorporated areas of Lexington County already being served by the City. Several municipalities in the County and Lexington County currently provide water and/or sewer services to residents within those municipalities. One large special purpose district, East Richland County Public Service District, provides sewer services to a portion of the County (including certain of the incorporated municipalities therein, e.g., the City of Forest Acres and the Town of Arcadia Lakes).

Service to areas outside of the City limits currently accounts for approximately []% of the revenues of the Waterworks System and []% of the revenues of the Sanitary Sewer System of the City. The average water rates for customers outside the City are approximately 1.7 times higher than the average rates for customers inside the City and the average sewer rates for customers outside the City are approximately 1.7 times higher than the average rates for customers inside the City. Because the City already has an extensive water and sewer system in place in large areas of both Richland and Lexington Counties, and because it can offer services to prospective new customers at competitive rates, the City believes that it can continue enlarging the size of its service area in the unincorporated areas of Richland and Lexington Counties.

Ten Largest Customers

The following table sets forth the ten largest water and sewer customers for Fiscal Year 2022 by total revenue.

Impact of Weather Event

In early October of 2015, the City experienced an unprecedented rain event involving 20-24 inches of rainfall (“Rain Event”), which resulted in significant flooding throughout the City. Multiple sewer and water lines ruptured or broke and the City experienced a 60-foot wide breach in the Columbia Canal, which the City uses to provide water for one of the its water treatment facilities. Federal disaster aid was made available to the State to supplement State, County, and local recovery efforts in the City and surrounding areas affected by the severe storms and flooding.

Following the Rain Event, the City identified 189 repair projects (175 of which were specifically related to the System), not inclusive of the Columbia Canal repairs. The City has materially completed substantially all of the repair projects, except for a few minor projects, pending permitting. The City expended \$[] from cash on hand on the non-Columbia Canal related repair projects. The City has received approximately \$[] in reimbursements for non-Columbia Canal related repair projects and other requests for reimbursement are under review by FEMA. The City cannot guarantee whether all expenditures on the non-Columbia Canal related repair projects will qualify for FEMA reimbursement.

The City estimates that the cost of repairs and mitigation to the Columbia Canal could be up to \$100,000,000. Such repairs and mitigation efforts are presently anticipated to include restoration, replacement or rehabilitation of the embankment, head gates, and hydro-electric plant, and the construction of a secondary water supply which the City believes is necessary to provide a more stable water supply and reduce the hazard level of the Columbia Canal.

The City reached an agreement with FEMA to receive approximately \$42 million from FEMA related to the repair to the Columbia Canal. The City has sought and is continuing to seek separate federal funding sources for repair and mitigation projects not covered under the scope of the agreement with FEMA. The City has received approval for an approximately \$8 million Community Development Block Grant-Mitigation Action Plan to fund construction for the replacement of the head gates and was awarded a Building Resilient Infrastructure and Communities FEMA grant to pay for approximately 75% of the \$45 million in estimated costs of constructing a secondary water supply. The City expects that it will complete all repairs and mitigation efforts stemming from the Rain Event by 2025.

Without regard to other potential long-term mitigation improvements, and assuming all relevant levels of reimbursement, the City estimates the impact of the Rain Event on the City’s net position to be less than \$1,000,000 and does not anticipate any material impact to the operation and maintenance expenses of the System or to net capital expenditures related to the System.

Waterworks System

General

The sources of raw water for the Waterworks System are the Broad River, via the Columbia Canal (which has an average flow of 3,000 cubic feet per second) and Lake Murray. The City has purchased rights from Dominion Energy South Carolina, Inc. (“Dominion South Carolina”) to draw up to 100 million gallons per day (“MGD”) of raw water from Lake Murray. The term of this contract is coterminous with Dominion South Carolina’s license to operate a hydro station on Lake Murray.

The City owns the Columbia Hydro Station and the Columbia Canal. The water treatment plant located on the Columbia Canal (the “Canal Plant”) generally serves the area south of Interstate 20 and east of the Broad River. The Canal

Plant was originally constructed in 1906 and has undergone multiple expansions. Those expansions include a major building renovation and filter upgrade completed in 1998 and raw water and finished water pumping expansions completed in 2013. Additionally, improvements and modernization of the finished water pumping and storage at the Canal Plant was completed in 2021 and rehabilitation of existing filters is ongoing.

The Canal Plant has a total raw water pumping capacity of 125 MGD with a sustained raw water pumping capacity of 85 MGD. The Canal Plant has a rated capacity for treatment of raw water of 84 MGD. The Canal Plant is currently producing an average flow of approximately 34 MGD with a maximum demand of 60 MGD.

The water treatment plant on Lake Murray (the “Lake Murray Plant”), constructed in 1983, has a raw water pumping capacity of 105 MGD. The Lake Murray Plant was expanded in 2006 to increase finished water pumping capacity from 40 MGD to 105 MGD and water treatment capacity from 30 MGD to 75 MGD. Additionally, improvements and modernization of pumping and solids handling equipment was completed in 2017 and rehabilitation of existing filters at the Lake Murray Plant is ongoing. The Lake Murray Plant generally serves the area north of Interstate 20. The average treatment and pumping rate at the Lake Murray Plant is 31 MGD.

The City believes that the water sources provided by the Broad River and Lake Murray are adequate to provide ample water to meet the current and foreseeable needs of the System, and that the Canal Plant and the Lake Murray Plant, as expanded and upgraded, will be adequate to continue to meet water treatment needs of the System for at least the next 30 years.

Approximately 2,400 miles of predominantly ductile iron and PVC pipelines, ranging in size from 4-inch to 64-inch diameters, comprise the Waterworks System’s distribution network. The City places considerable emphasis on replacing smaller and deteriorated water mains and installing additional fire hydrants for optimal fire protection, the costs of which are paid from System Revenues and from the proceeds of revenue bonds of the System. The City maintains two 3-MG storage reservoirs for finished water at the Canal Plant, two 5-MG storage reservoirs at the Lake Murray Plant and 22 other storage tanks with an aggregate storage capacity of 44 MG.

The City owns all of the pipes, storage tanks, pumping stations and water treatment facilities that it uses to distribute water to customers. The pipes and all other parts of the water delivery system are expected to have at least a 75-year useful life. Existing pipes are typically installed in rights-of-way owned by the City, the County or Lexington County or the State, with new lines being placed in exclusive easements when possible. The City owns in fee simple the land on which the Canal Plant and Lake Murray Plant are located and most of the land on which pump stations and storage tanks are located.

The City maintains an ongoing program of upgrading, modernizing and rehabilitating the Waterworks System, the costs of which are paid from System Revenues, proceeds of revenue bonds of the System and State and Federal grants. See “Capital Expenditures” herein.

Operations

The total number of customers of the Waterworks System has grown by more than []% over the past ten fiscal years. The major part of the growth has occurred as a result of new Out-of-City customers being added. Information on Revenues is set forth for both the Waterworks System and Sanitary Sewer System on a combined basis in “FINANCIAL FACTORS.” The table below shows the number of water customers during the past ten fiscal years:

Special Contracts

The City has entered into contracts with Fort Jackson, the Town of Chapin (“Chapin”), and the Town of Winnsboro (“Winnsboro”) to provide water service. The contract with Fort Jackson, which was first entered into as of March 25, 1987, provides that the City will be paid at rates subject to renegotiation on the request of either party with reasonable cause. In February 2011, a 15% rate increase went into effect for water service provided to Fort Jackson. The rates provided under the February 2011 contract, which had an effective date through June 2021, will continue until the City and Fort Jackson renegotiate a new rate agreement. The City plans to initiate negotiations with Fort Jackson to reset the rates under the February 2011 contract.

Under the City’s contract with Chapin, which was first entered into in 1988, the City acquired a portion of Chapin’s water system and received exclusive rights to furnish bulk water to Chapin. Chapin customers are charged the standard Out-of-City rates. The City’s current wholesale supply agreement with Chapin was entered into in 1999 and had a 15-year term. Pursuant to the terms of the contract, the City will supply water to Chapin on a month to month basis until a new agreement is renegotiated.

The City’s contract with Winnsboro is also a bulk water supply agreement, pursuant to which Winnsboro customers pay the City’s standard Out-of-City rate. The term of the City’s agreement with Winnsboro expired in 2018. The agreement includes a 5-year extension for which the City plans to initiate negotiations in the near future.

Waterworks System Rates

Information on rates and fees of the Waterworks System is set forth in “Water and Sewer Rates and Fees” herein.

Federal and State Requirements

The City currently holds the necessary permits and approvals from the South Carolina Department of Health and Environmental Control (“DHEC”) to operate a water treatment and distribution system. The Waterworks System currently meets all material federal and State requirements regarding a public water supply system. See “Environmental Matters – General.”

Sanitary Sewer System

The City’s Sanitary Sewer System (the “Sanitary Sewer System”) consists of over 1,000 miles of sewer lines ranging in diameter from 4 inches to 60 inches, 55 sewage lift stations and a central treatment facility known as the Metro WWTP. The Metro WWTP, a biological oxidation extended aeration treatment facility located on the Congaree River three miles south of the City, was originally constructed in 1970 and expanded in 1982 to 40 MGD and again in 1998 to 60 MGD. Currently the average daily flow to the Metro WWTP is about 34 MGD. Nearly five percent of the flow to the Metro WWTP is industrial. The City expects that the Metro WWTP, as expanded and upgraded, will be adequate to provide sewage treatment for the Sanitary Sewer System through the year 2060.

The City owns all of the sewer lines, lift stations and treatment facilities of the Sanitary Sewer System. The sewer lines are expected to have at least a 50-75 year useful life, with proper maintenance. The sewage lift stations are being rehabilitated as needed and are on a maintenance schedule, and most stations are expected to have a useful life of at least 15 years at construction or after rehabilitation is completed. Sewer lines are typically installed in easements or in rights-of-way owned by the City, Richland or Lexington County or the State, with new lines being placed in exclusive easements when possible. The City owns in fee simple the land on which the Metro WWTP and many of the sewage lift station sites are located.

The City maintains an ongoing program of upgrading, rehabilitating, and modernizing of the Sanitary Sewer System, the costs of which are paid from System Revenues and from the proceeds of revenue bonds of the System. See “Capital Expenditures” herein.

Special Contracts

The City entered into an agreement with the City of West Columbia (“West Columbia”) in 1975 and with Fort Jackson in 1967 relating to the provision of sewer services and the maintenance of components of the Sanitary Sewer System. The parties agreed to contribute financially to the construction, operation, maintenance, supervision and repair of certain components of the Sanitary Sewer System. The City assumed responsibility for the operation of these components, in return for which the City is paid a base monthly charge plus various other charges based on gallons of sewage discharged. The City and West Columbia entered into an Amended and Restated Agreement on July 7, 2015, which replaced the 1975 agreement. The Amended and Restated Agreement has a 30 year term with optional 5 year extensions. The current agreement with Fort Jackson was entered into in 1987 and does not have a termination date.

The City entered into an agreement with Blue Granite (formerly Carolina Water Service) regarding sanitary sewer service for their Friarsgate system. The City provides treatment of their sanitary sewer at a monthly fee based on the metered sewer discharged to the Sanitary Sewer System. This agreement was signed in 2018 and has a 25-year term with the option for two 10-year renewals.

The City entered into an agreement with Richland County regarding sanitary sewer service for the Lower Richland area sewer system. The City provides treatment of the sanitary sewer at a monthly fee per Equivalent Residential Unit served. This agreement was signed in 2019 with a four year term and may be extended for additional terms.

Sanitary Sewer System Rates

Information on rates and fees of the Sanitary Sewer System is set forth in “Water and Sewer Rates and Fees” herein. The most recent rate increase became effective July 1, 2021.

Federal and State Requirements

The Sanitary Sewer System currently holds the necessary permits and approvals from DHEC to operate its sewage collection and treatment system. Except as described in the EPA and DHEC Actions section below, the Sanitary Sewer System currently meets all material federal and State requirements in regard to a sewage collection and treatment system. See “Environmental Matters – *General*” and “– *Permits and Ordinances*.”

Water and Sewer Rates and Fees

General

The rates charged by the City for water and sewer service are not subject to approval by any federal or State regulatory body. The City’s current rates, effective July 1, 2021, are set forth below. Based on these revised rates, the

average monthly water and sewer bill for a residential In-City user, based on water usage of 800 cubic feet, is \$64.55 and for an Out-of-City user is \$109.86. The City has regularly increased rates as necessary, and effected rate increases to provide sufficient revenues for payment of projected increased costs of operation, expansion of the System, increases in debt service and to maintain required debt service coverage ratios. See "FINANCIAL FACTORS – Historical Debt Service Coverage of the System" and "– Projected Debt Service Coverage of the System." The City works with a rate consultant which provides recommendations to the City with respect to the timing and amount of rate increases. Administration considers the recommendation from the rate consultant along with the annual budget of the System and other anticipated capital expenditures before presenting a rate recommendation to City Council for its consideration.

Sewer Service Rates

(per 100 cubic feet of water used)

<u>In-City</u>	<u>Out-of-City</u>
\$4.43	\$7.54

Maximum sewer service rates on single-family residences during the months of April through October are based on a use of 1,400 cubic feet of water and during the months of November through March are based on actual usage. Sewer rates for apartment buildings and trailer parks are the base rate per dwelling unit plus the rate per 100 cubic feet reflected by water consumption. Sewer rates for hotels, motels, dormitories and rooming houses are one-half of the base rate of a single-

family residence per room plus a base fee on meter connection size plus the rate per 100 cubic feet reflected by water consumption.

Comparison of Water Rates in the Columbia MSA

In addition to the City, the following entities provide water service in the Columbia MSA: JMWSC, Blue Granite Water Company, Midlands Utility Company, the City of West Columbia, the City of Cayce, and the Town of Lexington. The chart below compares current average monthly water bills for each of the three largest providers of water service.

Water and Sewer Tap Fees

The City charges new customers to the Waterworks System a tap fee that ranges from \$2,512 for a ¾-inch meter to \$8,490.00 for a 2-inch meter and a connection fee that ranges from \$3,161.00 to \$8,279.00 for meters that are 4 inches and above. The City charges new customers to the Sanitary Sewer System a tap fee of \$300 (Developer Install) or \$1,300.00 (City Install) for each tap. Water and sewer tap fees generated a total of \$[] in revenues for the System in Fiscal Year 2022.

Sewer Capacity Fee

The City began charging new customers of the Sanitary Sewer System a sewer capacity fee on October 1, 1987. The fee is intended to provide an additional source of moneys for upgrading and expansion of the Metro WWTP. The current standard sewer capacity fee is \$2,640 per new or expanding capacity customer. However, special reduced fees are available for customers utilizing greater than 300,000 gallons per day or for redeveloped properties accompanying a change in use. Sanitary Sewer System sewer capacity fees generated a total of \$[] in revenues in Fiscal Year 2022.

Water and Sewer Billing and Collection Policies

New or transferring account fees are charged to customers (new and existing) who request service. Bills are mailed to customers on a periodic basis throughout the month and are payable on receipt. Customers receiving both water and sewer services receive combined bills for these services. Water or sewer service accounts that are two months or more in arrears are terminated for non-payment. Advance notice of 10 days is given prior to such termination action. Customers must pay a \$40 fee to have services reconnected.

In response to the outbreak of COVID-19 and as a means to not disrupt service during the pandemic, on March 12, 2020, the City suspended termination of service for non-payment of water and sewer bills and unauthorized consumption of inactive accounts. In October 2020, the City placed 14,499 accounts that were over 30 days past due on a 6-month payment arrangement to spread out the past due balance for customers and to encourage payment. In December 2020, the City began disconnecting water service for inactive accounts (e.g., accounts for which no active billing contact was available) that were showing unauthorized consumption, which resulted in several new accounts being established. In January 2021, the City began notifying customers with overdue balances that their water service would be disconnected beginning in February if the previous payment arrangements have not been honored. The City has proceeded with disconnections for non-payment since February 2021. The City is also pursuing collection for past due balances through the State's set-off debt collection program.

Capital Expenditures

The City has historically expanded and improved the System primarily with proceeds of revenue bonds and Revenues of the System. During Fiscal Year 2018 through Fiscal Year 2022, the City expended approximately \$[] for System expansion and improvement, including approximately \$[] expended in Fiscal Year 2022. The following table shows the amounts expended from proceeds of revenue bonds and System Revenues for capital improvements to the System,

including cash-funded projects that fall outside the City's Capital Improvements Program, undertaken during Fiscal Year 2018 through Fiscal Year 2022.

Capital Improvements Program

Future capital expenditures to expand and improve the System are managed by the City through a rolling five-year Capital Improvements Program, which is approved annually by City Council as part of the adoption of the City's Budget Ordinance. The current Capital Improvements Program covers the five-year period from Fiscal Year 2023 through the fiscal year ending June 30, 2027 ("Fiscal Year 2027"). Under the current Capital Improvement Program, the City anticipates capital expenditures of approximately \$40,000,000 in Fiscal Year 2023 and \$120,000,000 in each year through Fiscal Year 2027. As the City nears completion of the issues identified in the Consent Decree, anticipated capital expenditures will move from approximately two-thirds devoted to the Sanitary Sewer System and the remaining one-third devoted to the Waterworks System to a more even split between the two System components. The improvements made to the System under the Capital Improvements Program are expected to include engineering, storage tanks, water plant additions, increased sewer capacity, lines, pump stations, easements and land.

The City expects to fund the Capital Improvements Program with, among other sources, Revenues of the System (including capital payments from West Columbia), proceeds of bonds, and State and Federal grants. Although the breakdown between debt and other sources used to fund the capital expenditures for the Capital Improvements Program varies, approximately [50]% of the Fiscal Year 2023 annual capital expenditures for the Capital Improvements Program were estimated to be funded from System Revenues (including capital payments from West Columbia) and State and Federal grants, but in subsequent fiscal years are anticipated be in the range of 25-30%.

Environmental Matters

General

Operation of the System is subject to regulation by certain federal, State and local authorities. Federal and State standards and procedures that currently regulate and control operation of the System may change from time to time as a result of continuing legislative, regulatory and judicial action. Therefore, there is no assurance that the facilities comprising the System currently in operation, under construction or contemplated will always remain subject to the regulations currently in effect, or will always be in compliance with future regulations.

An inability to comply with various governmental regulations and standards could result in reduced operating levels or complete shutdown of such facilities not in compliance. Furthermore, compliance with such governmental regulations and standards may substantially increase capital and operating costs.

Permits and Ordinances

The System is in substantial compliance with current regulatory requirements of the United States Environmental Protection Agency (the "EPA") and DHEC, and the requirements and conditions of all permits required to operate the System are in order. The City currently has the following permits in effect:

<u>Permit</u>	<u>Effective Date</u>	<u>Expiration Date</u>	<u>Description</u>
---------------	-----------------------	------------------------	--------------------

<u>Permit</u>	<u>Effective Date</u>	<u>Expiration Date</u>	<u>Description</u>
DHEC Wastewater NPDES Permit #SC0020940 ("NPDES Permit")	June 1, 2018	May 31, 2023	Authorization to discharge treated effluent in accordance with the National Pollutant Discharge Elimination System (the "NPDES") into the Congaree River continues in effect until a renewal decision is made
Public Water System Operating Permit System #401001		No Expiration Date	Authorization to operate a water treatment plant
S.C. Water Resources Commission, Interbasin Transfer Permit 1013-IB	August 29, 2008	August 29, 2028	Authorization to transfer water between river basins in South Carolina for its potable water treatment plant(s)

The City has had a Wastewater Services Ordinance in place since March 19, 1974. Subsequent revisions to this ordinance are periodically made to reflect changes in federal, State and local standards. The City has operated an Industrial Pretreatment Program pursuant to the Federal General Pretreatment Regulations and approved by DHEC since October 1, 1984. The City includes West Columbia under this program pursuant to an inter-jurisdictional agreement executed January 8, 1986. Eight categorical and 4 significant non-categorical industries are currently regulated under this program.

The City is also authorized to discharge stormwater from the Metro WWTP under NPDES General Permit for the Storm Water Discharges Associated with Industrial Activities (Except Construction) issued by DHEC on September 1, 2016.

EPA and DHEC Actions

On September 9, 2013, after a lengthy period of negotiations among the City, the EPA, the U.S. Department of Justice (the "DOJ") and DHEC, the EPA, the DOJ and DHEC lodged a Consent Decree (the "Consent Decree") with the U.S. District Court for the District of South Carolina (the "District Court"), in which the City agreed to settle allegations by the EPA, the DOJ and DHEC regarding the numerous alleged violations by the City of the Clean Water Act, including the frequent occurrence of sanitary sewer overflows from the Sanitary Sewer System over a specified time period (the "CWA Violations"). Additionally, the EPA identified alleged effluent limit violations of the NPDES Permit and violations of NPDES Permit requirements related to the City's implementation of the approved industrial pretreatment program ("NPDES Violations," and, together with the CWA Violations, the "Violations"). Based on comments received during the public comment period on the terms of the Consent Decree, the parties agreed to certain revisions to the Supplemental Environmental Project (the "SEP") required under the Consent Decree. On May 21, 2014, the District Court entered an order approving the Consent Decree.

The terms of the Consent Decree require the City to (i) evaluate the Sanitary Sewer System and, based on that evaluation, implement capital improvements to the Sanitary Sewer System's infrastructure, and (ii) implement a \$1,000,000 SEP aimed at restoring and reducing flooding along segments of Rocky Branch and Gills Creek. The City anticipates total expenditures of approximately \$750,000,000 will be required over a period of approximately 10 years in order to meet the requirements of the Consent Decree. The City's five-year Capital Improvements Program has been revised and will continue to be revised (if necessary) to enable the City to meet all of its obligations under the Consent Decree within the prescribed timeframes. In addition, the City was required to pay a civil penalty in the amount of \$476,400 to resolve the alleged CWA Violations.

On October 6, 2015, the City notified the DOJ, the EPA and DHEC of a force majeure event, namely the Rain Event. On October 13, 2015, the City submitted a written report concerning the Rain Event and provided a supplemental report on March 24, 2016, with a request for additional time to meet certain deadlines in the Consent Decree and in implementation schedules of program documents submitted pursuant to the Consent Decree. The City also requested an extension for stipulated penalties for sanitary sewer overflows. By letter dated June 2, 2016, the EPA granted all of the extensions requested as a result of the Rain Event.

On April 7, 2020, the City notified the DOJ, the EPA and DHEC of a force majeure event having occurred as a result of the COVID-19 pandemic. The City provided a supplemental report on February 2, 2021, providing additional details and requesting additional time to meet certain deadlines in the Consent Decree and in implementation schedules of program documents submitted pursuant to the Consent Decree.

As a result of the final Consent Decree, the City may be liable for additional civil penalties should it not comply with the terms of the Consent Decree. The City intends to fully comply with the terms of the Consent Decree, as modified, and undertake the capital improvements required by the Consent Decree. The City does not expect its compliance with the Consent Decree to have a materially adverse impact on the financial condition of the System or the City.

On May 2, 2018, DHEC reissued the NPDES Permit, effective June 1, 2018, with an expiration date of May 31, 2023. The City expects to submit its application for renewal of the NPDES Permit on or before November 2022.

Pension Obligations

Retirement Plan

The South Carolina Retirement Systems (the “Systems”), as administered by the South Carolina Public Employees Benefit Authority (the “Authority”), maintains five independent cost sharing, multi-employer defined benefit plans. The City is a participating employer in the Systems and, generally, the City’s employees are covered by the Systems’ South Carolina Retirement System (the “SCRS”) or the Police Officers Retirement System (the “PORS”) plans, unless the employee has elected to participate in the Optional Retirement Program (the “ORP”).

The SCRS plan offers retirement and other benefits, including disability, survivor and death benefits, to eligible state employees. Both employees and employers are required to contribute to the SCRS a percentage of the participating employee’s earnable compensation at a rate set by State law. The PORS plan offers retirement and other benefits for police officers employed by the City. Like the SCRS, both employees and employers are required to contribute to the PORS a percentage of the participating employee’s earnable compensation at a rate set by State law.

For Fiscal Year 2022, the City made contributions to the SCRS of \$[] and to the PORS of \$[], which amounts equaled the statutorily required contributions to SCRS and PORS.

City employees eligible for participation in the SCRS may choose to participate in the ORP, which is a defined contribution plan in which participants direct the investments of their funds in a plan administered by one of four investment providers. The Systems assume no liability for the ORP benefits and for this reason the ORP is not considered part of the retirement systems for financial statement purposes. Contributions to the ORP are set at the same rates as the SCRS. To participate in the ORP, participants must irrevocably waive participation in the SCRS.

Additionally, the Authority issues its own Comprehensive Annual Financial Report for the Systems (the “Report”). A copy of the Report for Fiscal Year 2021, may be found at https://www.peba.sc.gov/sites/default/files/cafr_2021.pdf (which is not intended to be an active hyperlink and is not incorporated by reference herein). Information for the Systems is also included in the Annual Comprehensive Financial Report for the State (the “State Report”). A copy of the State Report may be found at <https://cg.sc.gov/financial-reports/annual-comprehensive-financial-reports-acfrs> (which is not intended to be an active hyperlink and is not incorporated by reference herein).

Plan Contributions

Contributions to the SCRS and PORS for both employers and employees are statutorily determined through fiscal year ending June 30, 2027. Contribution rates through fiscal year ending June 30, 2027 are as follows:

<u>Fiscal Year</u>	SCRS		PORS	
	<u>Employer Contribution</u>	<u>Employee Contribution</u>	<u>Employer Contribution</u>	<u>Employee Contribution</u>
2021-2022	16.56%	9.00%	19.24%	9.75%
2022-2023	17.56	9.00	20.24	9.75
2023-2027	18.56	9.00	21.24	9.75

NOTE: Act 135 of 2020 of the General Assembly suspended the annual increase in the employer contribution rate for the SCRS and PORS for Fiscal Year 2021 as required by statute. Instead, the employer contribution percentages for Fiscal Year 2021, previously set by statute at 16.56% for the SCRS and 19.24% for the PORS, remained at the same rates imposed for Fiscal Year 2020 (i.e. 15.56% for SCRS and 18.24% for PORS). In each year since, including for employer contributions for Fiscal Year 2023, the General Assembly has suspended the statutory increase in the employer contributions for SCRS and PORS and instead increased the employer contribution by one percent over the prior fiscal year. It is unknown whether the General Assembly will continue to suspend the increase in employer contribution as set forth in the statute in future fiscal years.

Following fiscal year ending June 30, 2027, the Board of Directors of the Authority (the “Authority Board”) may set the contribution rates of participating employers; however, employee contributions are capped at 9.00% of earnable compensation for the SCRS and 9.75% of earnable compensation for the PORS. The Authority Board is authorized to set employer contributions based on the actuarial value of the plans; however, the Plan Legislation prohibits the Authority Board from increasing a participating employer’s rate of contribution by more than 0.5% in any fiscal year. The Authority Board may decrease contribution rates of both employers and employees if an actuarial valuation of the SCRS and PORS shows a funded ratio of at least 85% and any decrease would not decrease the funded ratio below 85%. Any decrease by the Authority Board to employer and employee contributions must be made in equal amounts.

Employer contribution rates may be increased above those as set forth in the table above or as set by the Authority Board after the fiscal year ending June 30, 2027, if the contribution rates are insufficient to meet the amortization schedule for the unfunded actuarial accrued liabilities of the SCRS and PORS as set forth below. Increases to employer contribution rates to meet the funding period set forth below may be made without limitation.

The unfunded actuarial accrued liability of the SCRS and PORS are determined by an annual actuarial valuation:

<u>Fiscal Year</u>	<u>Funding Period</u>
2022-2023	25 years
2023-2024	24 years
2024-2025	23 years
2025-2026	22 years
2026-2027	21 years
2027 and after	20 years

Reporting Plan Liability

In accordance with the GASB Statement No. 68, the City reports its proportionate share of the overall Net Pension Liability of the Systems – which represents the difference between the total cost of the Systems’ expected future benefits to be paid and the value of assets on hand to cover the benefits – in its financial statements. For Fiscal Year 2022, the City reported its proportionate share of SCRS and PORS Net Pension Liability as \$[] and \$[], respectively, or []% and []% of the total net pension liability.

Other Post-Employment Benefits

The City provides other post-employment benefits (“OPEB”) through its single-employer defined dollar benefit plan, The City of Columbia Post-retirement Healthcare Benefit Program. The City administers the plan and provides healthcare benefits for eligible retirees and their spouses. By ordinance, City Council is vested with the authority to establish and amend benefit terms and financing requirements.

The City budgets and pays for OPEB related expenses on a pay-as-you-go basis. In addition, the City maintains an unrestricted account (the “OPEB Account”) that is intended, but is not limited, as a reserve for OPEB expenses. Pursuant to an Ordinance enacted by the City Council on December 1, 2020, the City authorized the use of funds in the OPEB Account to finance the acquisition, construction and equipping of two City-owned parking structures (including land acquisition costs, if any) (collectively, Garage 1), which the City estimates will cost approximately \$16,500,000. The City intends to repay the OPEB Account, including an annual return of 1.5%, in the fiscal year ending June 30, 2030, from either the proceeds of an issuance of parking system revenue bonds or the available net revenues of the City’s parking system.

Pursuant to an Ordinance enacted by the City Council on July 20, 2021, the City authorized the use of funds in the OPEB Account to finance the acquisition, construction and equipping of a City-owned parking garage (including land acquisition costs, if any) (Garage 2), which the City estimates will be approximately \$20,000,000. The City intends to repay the OPEB Account, including an annual return of 1.5%, in the fiscal year ending June 30, 2031, from either the proceeds of an issuance of parking system revenue bonds or the available net revenues of the City’s parking system.

In accordance with GASB Statement No. 75, the City’s OPEB liability is now calculated based on the City’s total unfunded OPEB liability. As of June 30, 2022, the estimated total OPEB liability of the City was \$[]. The City anticipates the unfunded OPEB liability to increase, but is unable to provide an estimated increase.

Liability Insurance

Subject to specific immunity set forth in the South Carolina Tort Claims Act, the City, like other local governments, is liable for damages not to exceed \$300,000 per incident/person and \$600,000 per occurrence/aggregate for torts. There are no limits in actual damages for recoveries under 42 U.S.C. § 1983. No punitive or exemplary damages are permitted under the South Carolina Tort Claims Act or the Federal Civil Rights Act. The City currently self-insures against tort liability under the South Carolina Tort Claims Act.

CERTAIN INVESTMENT CONSIDERATIONS

The following discussion is intended only as a summary of certain pertinent risk factors relating to an investment in the Series 2022 Bonds. This summary is not intended to be an exclusive summary of factors to be considered in connection with making an investment in the Series 2022 Bonds. *In order for potential investors to identify risk factors and make an informed investment decision, they should thoroughly review this entire Official Statement and the appendices hereto and confer with their own tax and financial advisors when considering a purchase of the Series 2022 Bonds.*

COVID-19

The COVID-19 pandemic has altered the behavior of businesses, government and people. The resulting and continued impact of the pandemic on the City, the System, its operations, and the local, regional, national and international economies cannot be quantified or forecasted due to the uncertainties relating to its continued duration and severity, as well as what further actions may be taken by governmental authorities, businesses and institutions to respond to the impact.

COVID-19 may have an impact on the financial performance of the System in the future, and the sources of revenues utilized by the System, but the extent of those impacts cannot be predicted. Data presented in this Official Statement regarding revenues received by the System in prior fiscal years should not be relied upon as a projection of revenues to be received by the System in the present and future fiscal years. This Official Statement presents historical data, which may not be indicative of near-term trends. Investors should exercise caution when relying on such information.

As a result of the COVID-19 pandemic, the City has incurred costs to date for COVID-19 related services and equipment in the amount of \$[] and has received reimbursement from the State in the amount of \$[]. The City continues to seek reimbursement from FEMA for the remainder.

In November 2020, the City also participated in the RecoverSC Local Government Liquidity Program established by the South Carolina Jobs-Economic Development Authority ("JEDA"). The City received a \$10,000,000 advance to offset COVID-19 expenditures and potential lost revenues. The advance is repayable by the City to JEDA from any available source of revenues over a 10-year period with the first five (5) years being interest only payments. The advance is prepayable in whole or in part on any semi-annual payment date.

The City offices are open and operating at pre-pandemic levels of support.

Cyber Security

The City, like many other large public and private entities, relies on a large and complex technology environment to conduct its operations and faces multiple cybersecurity threats including, but not limited to, hacking, phishing, viruses, malware and other attacks on its computing and other digital networks and systems (collectively, "Systems Technology"). As a recipient and provider of personal, private, or sensitive information, the City may be the target of cybersecurity incidents that could result in adverse consequences to the City and its Systems Technology, requiring a response action to mitigate the consequences.

Cybersecurity incidents could result from unintentional events, or from deliberate attacks by unauthorized entities or individuals attempting to gain access to the City's Systems Technology for the purposes of misappropriating assets or information or causing operational disruption and damage. To mitigate the risk of business operations impact and/or damage from cybersecurity incidents or cyber-attacks, the City invests in multiple forms of cybersecurity and operational safeguards. In particular, the City maintains a firewall between the City's network and the network that supports the System.

The City employs a full time employee dedicated to network security. While the City's cybersecurity and operational safeguards are periodically tested, no assurances can be given by the City that such measures will ensure against other cybersecurity threats and attacks. Cybersecurity breaches could cause material disruption to the City's finances or operations. The costs of remedying any such damage or obtaining insurance related thereto, or protecting against future attacks could be substantial, and insurance (if any can be obtained) may not be adequate to cover such losses or other resultant City costs and expenses. Further, cybersecurity breaches could expose the City to material litigation, liability under laws that protect the privacy of personal information, regulatory penalties and other legal risks, which could cause the City to incur material costs in connection therewith.

Climate Change

The State is susceptible to the effects of extreme weather events and natural disasters, including floods, droughts and hurricanes, which could result in negative economic impacts on communities like the City. These effects may be amplified by a prolonged global temperature increase over the next several decades (commonly referred to as "climate change"). The City continues to monitor the impact of climate change on the City and the System. The City has been impacted by one or more extreme weather events within the past five fiscal years. As a result of the impact of such extreme weather events, the City has implemented and is implementing improvements to provide a more stable water supply and potentially reduce the impact of a future extreme weather event. See "THE CITY AND THE SYSTEM - Impact of Weather Event" above. However, no assurances can be given that a future extreme weather event driven by climate change will not adversely affect the operations of the City or the System.

INTEREST RATE SWAPS AND OTHER OBLIGATIONS

In September 2007, the City entered into an ISDA Master Agreement and an accompanying schedule (collectively, the "Master Agreement") with JPMorgan Chase Bank, N.A. (in such capacity, the "Counterparty"), to establish the general terms under which various interest rate swap and other derivative transactions may be entered between such parties.

The Series 2009 Swap

On September 20, 2007, and pursuant to the written confirmation to the Master Agreement dated such date between the City and the Counterparty, the City entered into a "fixed payor" interest rate swap agreement with the Counterparty (the "Series 2009 Swap") to enable the City to synthetically hedge its variable rate interest exposure relative to the 2009 Bonds during the term of the Series 2009 Swap. The Series 2009 Swap obligates the City to pay the Counterparty a fixed rate, based on a notional amount equal to the initial par amount of the 2009 Bonds, as reduced based on mandatory

sinking fund redemptions scheduled therefor. The goal of the Series 2009 Swap is to reduce the City's variable rate exposure under the 2009 Bonds and convert such variable rate exposure during the term of the Series 2009 Swap to a hedged fixed rate (subject to applicable basis risks associated with the actual correlation of such variable rate index with the actual variable rate of such 2009 Bonds). The Series 2009 Swap will expire in accordance with its terms (unless earlier terminated) on February 1, 2038, which is a date coterminous with the final maturity date of the 2009 Bonds.

Under certain circumstances, some of which may be beyond the control of the City, the Series 2009 Swap is subject to termination prior to the scheduled termination date, including on the occurrence of certain events of default. Such events of default include without limitation (i) failure to pay or deliver any payment required to be made under the Master Agreement, (ii) breach of the Master Agreement, (iii) credit support default, (iv) misrepresentation, (v) default under a specified derivative transaction, (vi) cross default, (vii) bankruptcy and (viii) merger of party or any guarantor of such party without assumption of such party's obligations by the resulting entity.

In addition to the foregoing, the Counterparty has the right, but is not required, to terminate the Series 2009 Swap in the event that the rating of the long-term unsecured debt (without credit or structural enhancement) of the City is withdrawn, suspended for more than 30 days or reduced below "BBB" by S&P Global Ratings ("S&P") or "Baa2" by Moody's Investors Service, Inc. ("Moody's"). Correspondingly, the City has the right, but is not required, to terminate the Series 2009 Swap in the event that the rating of the long-term unsecured debt (without credit or structural enhancement) of the Counterparty is withdrawn, suspended for more than 30 days or reduced below "BBB" by S&P or "Baa2" by Moody's.

In the event of an early termination of the Series 2009 Swap, the City may owe a termination payment to the Counterparty or, conversely, the Counterparty may owe a termination payment to the City. Such a termination payment generally would be based on the market value of the Series 2009 Swap on the date of termination. For example, if the Series 2009 Swap was terminated, the City's termination payment (including accrued interest) to the Counterparty, based on mid-market rates not derived from the solicitation of actionable bids from any broker-dealers, as of [], 2022, would have been approximately \$[]. Any such amount that may be owed in the future by the City with respect to the Series 2009 Swap may be substantial, and could adversely affect the City's ability to pay debt service on the Bonds. Such termination payments are secured by a pledge of Net Revenues junior and subordinate to the pledge of Net Revenues securing the Bonds and all parity debt.

In addition, a partial termination of the Series 2009 Swap could occur to the extent that any 2009 Bonds are redeemed pursuant to an optional redemption. If such an optional redemption occurs, a termination payment related to the portion of the Series 2009 Swap terminated may be owed to either the City or the Counterparty, depending on market conditions at that time. Moreover, the Series 2009 Swap can be terminated on mutual agreement of the Counterparty and the City. There is no guarantee the Series 2009 Swap will be outstanding for its stated term.

The payment obligations of the City under the Series 2009 Swap will not alter or affect the obligation of the City to pay or make payments with respect to the principal of, redemption price of and interest on the 2009 Bonds. The Counterparty has no obligation to make payments directly to the holders of the 2009 Bonds. The holders of the 2009 Bonds have no contractual or other rights or claims against the Counterparty for payment of the 2009 Bonds. The Series 2009 Swap does not provide a source of security or other credit for the 2009 Bonds.

Additional Derivative Agreements

In addition to the Series 2009 Swap, the City may in the future enter into one or more additional interest rate swap or other derivative transactions, whether pursuant to the Master Agreement or otherwise and whether with the Counterparty or one or more other swap counterparties, to the extent not prohibited by the Ordinance. The extent or effect of any such additional transactions cannot be known as of the date of this Official Statement.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2022 Bonds on an event of default under the Ordinance are in many respects dependent on judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code, the remedies specified by the federal bankruptcy code and the Ordinance, the Series 2022 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022 Bonds (including Co-Bond

Counsel's approving opinions) will be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of credits enacted before or after such delivery.

LEGAL MATTERS

Litigation

No litigation is pending or, to the knowledge of the City, threatened in writing in any court to restrain or enjoin the issuance or delivery of the Series 2022 Bonds or the collection, payment or receipt of the moneys pledged or to be pledged to pay the principal of, premium, if any, and interest on the Series 2022 Bonds or, in any way contesting or affecting the validity of the Series 2022 Bonds, the General Ordinance or the Supplemental Ordinance, the power to collect, pay or receive the moneys with which to pay the Series 2022 Bonds or the organization or the powers of the City, including the power to operate the System and to collect revenues therefrom.

United States Bankruptcy Code

The undertakings of the City should be considered with reference to Chapter 9 of the Bankruptcy Code, 11 U.S.C. § 901, *et seq.*, as amended ("Bankruptcy Code"), and other laws affecting creditors' rights and municipalities generally. Chapter 9 permits a municipality, political subdivision, public agency, or other instrumentality of a state that is insolvent or unable to meet its debts as such debts mature to file a petition in the United States Bankruptcy Court for the purpose of effecting a plan to adjust its debts; directs such a petitioner to file with the court a list of its creditors; provides that the filing of the petition under that Chapter operates as a stay of the commencement or continuation of any judicial or other proceeding against the petitioner; directs a petitioner to file a plan for the adjustment of its debts; permits the petitioner in its plan to modify the rights to payment of its creditors; provides that the plan must be accepted in writing by or on behalf of creditors; and provides that the plan must be accepted in writing by or on behalf of creditors of each impaired class of claims holding at least two-thirds in amount and more than one-half in number of the creditors which have accepted or rejected the plan. The plan may be confirmed notwithstanding the negative vote of one or more classes of claims if the court finds that the plan is in the best interest of creditors, is feasible, and is fair and equitable with respect to the dissenting classes of creditors. A petitioner has the right to reinstate indebtedness under its plan according to the original maturity schedule of such indebtedness notwithstanding any provision in the documents under which the indebtedness arose relating to the insolvency or financial condition of the debtor before the confirmation of the plan, the commencement of a case under the Bankruptcy Code, or the appointment of or taking possession by a trustee in a case under the Bankruptcy Code or by a receiver or other custodian prior to the commencement of a case under the Bankruptcy Code.

Other Legal Matters

Certain legal matters incident to the authorization, issuance and sale of the Series 2022 Bonds are subject to the approval of the legality of issuance thereof by Burr & Forman LLP, Columbia, South Carolina, and Johnson, Toal & Battiste, P.A., Columbia, South Carolina, as Co-Bond Counsel. The proposed forms of the opinions of Co-Bond Counsel to be delivered when the Series 2022 Bonds are issued are set forth in APPENDIX D hereto. Certain matters will be passed on for the Underwriters by Parker Poe Adams & Bernstein LLP, Columbia, South Carolina, and Starkes Law Firm, LLC, Columbia, South Carolina, as Co-Underwriters' Counsel. Certain legal matters will be passed on behalf of the City by the City Attorney, Teresa A. Knox, Esquire.

From time to time, Parker Poe Adams & Bernstein LLP serves as bond counsel to the City and, from time to time, one or both Parker Poe Adams & Bernstein LLP, Starkes Law Firm, LLC, and Burr & Forman LLP have represented one or more of the Underwriters or Stifel, Nicolaus & Company, Inc., as counsel in financing transactions unrelated to the sale of the Series 2022 Bonds. Neither the City nor any of the Underwriters nor the Stifel, Nicolaus & Company, Inc., has conditioned the future employment of any of these firms in connection with any proposed financing issues for the City or either Underwriter on the successful execution and delivery of the Series 2022 Bonds.

TAX EXEMPTION AND OTHER TAX MATTERS

Federal Tax Matters

Generally. In the opinion of Burr & Forman LLP, to be delivered on the date of issuance of the Series 2022 Bonds, under existing laws, regulations, rulings and judicial decisions and assuming the City's continued compliance with certain covenants described below, interest on the Series 2022 Bonds is excludable from gross income of the recipients thereof for federal income tax purposes.

The Internal Revenue Code of 1986, as amended (the "Code"), including the Treasury Regulations promulgated thereunder, includes provisions that relate to tax-exempt obligations, such as the Series 2022 Bonds, including, among other things, permitted uses and investment of the proceeds of the Series 2022 Bonds and the rebate of certain net arbitrage earnings from the investment of such proceeds to the United States Treasury. Noncompliance with these requirements may result in interest on the Series 2022 Bonds becoming subject to federal income taxation retroactive to the respective issuance dates thereof. The City has covenanted to comply with the requirements of the Code to the extent required to maintain the exclusion of interest on the Series 2022 Bonds from gross income for federal tax purposes. Failure of the City to comply with the covenant could cause the interest on the Series 2022 Bonds to be taxable retroactively to the date of issuance.

Interest on the Series 2022 Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. The Inflation Reduction Act, H.R. 5376, recently enacted into law, includes an alternative minimum tax to be imposed on the "adjusted financial statement income" of "applicable corporations," as each is defined therein, for tax years beginning after December 31, 2022. The interest on the Series 2022 Bonds may be included in the adjusted financial statement income of such applicable corporations for purposes of computing such alternative minimum tax.

Although Burr & Forman LLP is of the opinion that interest on the Series 2022 Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Series 2022 Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend on the recipient's particular tax status or other items of income or deduction. Prospective purchasers of the Series 2022 Bonds should be aware that ownership of the Series 2022 Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, banks, thrifts and other financial institutions, property and casualty insurance companies, certain recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax, life insurance companies, taxpayers otherwise entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Series 2022 Bonds. Burr & Forman LLP will not express any opinion as to such collateral tax consequences. Prospective purchasers of the Series 2022 Bonds should consult their tax advisors as to collateral federal income tax consequences.

Burr & Forman LLP has not undertaken to determine (or to inform any person) whether any action taken (or not taken) or event occurring (or not occurring) after the issuance date of the Series 2022 Bonds may affect the tax status of interest on the Series 2022 Bonds. In rendering its opinion, Burr & Forman LLP will rely on certificates and representations of the City with respect to certain material facts solely within the City's knowledge relating to the investment and use of the proceeds of the Series 2022 Bonds and compliance by the City with certain covenants.

The opinion of Burr & Forman LLP is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Burr & Forman LLP's judgment as to the proper treatment of the Series 2022 Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (the "IRS") or the courts.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2022 Bonds to be subject, directly or indirectly, to federal or State income taxation, or otherwise prevent the holders thereof from realizing the full current benefit of the tax-exempt status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2022 Bonds and could also affect, perhaps significantly, the market price for, or marketability of, the Series 2022 Bonds. Prospective purchasers of the Series 2022 Bonds should consult their own tax advisors regarding any pending or proposed federal or

state tax legislation, regulations or litigation, and regarding the impact of future legislation, regulations or litigation, as to which Burr & Forman LLP expresses no opinion.

The IRS has established an ongoing program to audit tax-exempt obligations to determine whether interest on such obligations is includable in gross income for federal income tax purposes. Burr & Forman LLP cannot predict whether the IRS will commence an audit of the Series 2022 Bonds. Burr & Forman LLP's engagement with respect to the Series 2022 Bonds ends with the issuance of the Series 2022 Bonds, and, unless separately engaged, Burr & Forman LLP is not obligated to defend the City or owners of the Series 2022 Bonds regarding the tax-exempt status of the Series 2022 Bonds in the event of an audit by the IRS. Under current procedures, parties other than the City and its appointed counsel, including the Series 2022 Bond owners, would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2022 Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2022 Bonds, and may cause the City or the Series 2022 Bond owners to incur significant expense, regardless of the ultimate outcome.

[Original Issue Discount. Certain of the Series 2022 Bonds have been sold at initial public offering prices which are less than the amount payable at maturity (the "Discount Bonds"). An amount not less than the difference between the initial public offering prices of the Discount Bonds and the amount payable at maturity constitutes original issue discount, which will be treated as interest on such Discount Bonds and, to the extent properly allocable to particular owners who acquire such Discount Bonds at the initial offering thereof, will be excludable from gross income for federal income tax purposes to the same extent as other interest on the Series 2022 Bonds.

For this purpose, the issue price of a particular maturity of the Series 2022 Bonds is the first price at which a substantial amount of such maturity is sold to the public (excluding bond houses, brokers, or other similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Series 2022 Bonds accrues daily over the term to maturity of such Series 2022 Bonds on the basis of a constant interest rate compounded semi-annually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Series 2022 Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Series 2022 Bonds.

Owners who may acquire Series 2022 Bonds that are Discount Bonds should consult their tax advisors with respect to the determination for federal income tax purposes of the amount of original issue discount or interest properly accruable with respect to such Series 2022 Bonds, other tax consequences of owning Discount Bonds and the state and local tax consequences of owning Discount Bonds.]

[Original Issue Premium. Certain of the Series 2022 Bonds have been sold at initial public offering prices which are greater than the amount payable at maturity (the "Premium Bonds"). An amount equal to the excess of the purchase price of the Premium Bonds over their stated redemption prices at maturity constitutes premium on such Premium Bonds. A purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity. As premium is amortized, the purchaser's basis in such Premium Bond is reduced by a corresponding amount, resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis is reduced, no federal income tax deduction is allowed.

Purchasers of any Series 2022 Bonds at a premium, whether at the time of initial issuance or subsequent thereto, should consult with their own tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to state and local tax consequences of owning such Series 2022 Bonds.]

Information Reporting and Backup Withholding. Interest paid on the Series 2022 Bonds is subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments to any owner of the Series 2022 Bonds who fails to provide certain required information and who is not an exempt person. The reporting requirement does not in and of itself affect or alter the excludability of interest on the Series 2022 Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling federally tax-exempt obligations.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a refund or credit against a holder's U.S. federal income tax liability provided the required information is furnished by such holder to the IRS in a timely manner.

State Tax Law Matters

Burr & Forman LLP is of the opinion that under present laws of the State, interest on the Series 2022 Bonds will be excluded from South Carolina taxation, except estate, transfer and certain franchise taxes. Section 12-11-20 of the Code of Laws of South Carolina 1976, as amended, imposes on every bank engaged in business in the State a fee or franchise tax computed at the rate of 4½% of the entire net income of such bank. Regulations of the South Carolina Department of Revenue require that the term "entire net income" include income derived from any source whatsoever, including interest on obligations of any state and any political subdivision thereof. Interest on the Series 2022 Bonds will be included in such computations.

FINANCIAL ADVISOR

Stifel, Nicolaus & Company, Inc., Columbia, South Carolina, has served as Financial Advisor to the City in connection with the offer and sale of the Series 2022 Bonds. As such, it has participated in the preparation of and review of the various financing documents related to the Series 2022 Bonds. The Financial Advisor will be paid from the proceeds of the Series 2022 Bonds.

CONTINUING DISCLOSURE

To the extent required by Rule 15c2-12 promulgated by the SEC (the "Rule"), the City, through a written agreement or contract for the benefit of registered owners and the Beneficial Owners of the Series 2022 Bonds, will provide notice, in a format as required by the Rule, either directly or indirectly through a designated agent, in a timely manner not in excess of ten business days after its occurrence, of any of the events enumerated in Section (b)(5)(i)(C) of the Rule and will provide certain financial information and operating data relating to the City by no later than February 1 after the end of each of the City's fiscal years, commencing with the report for Fiscal Year 2022 (the "Annual Report"). The form of that written agreement, the Disclosure Dissemination Agent Agreement (the "Continuing Disclosure Agreement"), entered into by the City with Digital Assurance Certification, L.L.C. ("DAC") in connection with the issuance of the Series 2022 Bonds, is attached as APPENDIX E. The Annual Report will be filed on behalf of the City by DAC, as dissemination agent, with the Municipal Securities Rulemaking Board. These covenants have been made in order to assist the original purchasers of the Series 2022 Bonds in complying with the Rule.

As provided in the Continuing Disclosure Agreement, if the City fails to comply with any provision of the Continuing Disclosure Agreement, any registered owner or "Holder" of the Series 2022 Bonds may take such actions as may be necessary and appropriate, including seeking injunctive relief or specific performance by court order, to cause the City to comply with its continuing disclosure obligations under the Continuing Disclosure Agreement. "Beneficial Owner" is defined in the Continuing Disclosure Agreement to mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Series 2022 Bonds (including persons holding Series 2022 Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Series 2022 Bonds for federal income tax purposes. If any person seeks to cause the City to comply with its continuing disclosure obligations under the Continuing Disclosure Agreement, it is the responsibility of such person to demonstrate that it is a "Holder" within the meaning of the Continuing Disclosure Agreement.

For Fiscal Year 2017, the City timely filed its Annual Report on January 26, 2018. For Fiscal Year 2018, the City timely filed its Annual Report on January 25, 2019. For Fiscal Year 2019, the City timely filed its Annual Report on January 24, 2020, which initially included the City's unaudited financial statements but was updated on February 26, 2020, once the City's audit became available. For Fiscal Year 2020, the City timely filed its Annual Report on January 25, 2021. For Fiscal Year 2021, the City timely filed its Annual Report on January 25, 2022, which initially included the City's unaudited financial statements but was updated on February 3, 2022, once the City's audit became available.

In recent years there have been numerous rating actions reported by Moody's and S&P affecting several municipal bond insurance companies, some of which had insured or insure certain of the City's bonds. Due to widespread knowledge of these rating actions, material event notices have not previously been filed by the City in each instance.

The City's policy when it learns of incomplete or late filings is to take remedial action and provide this information immediately. In addition, the City has taken and is continuing to take certain steps to help identify and report events which may trigger continuing disclosure obligations pursuant to the Rule, including but not limited to, (1) increased education (including periodic training) and awareness by the City's finance staff of the importance of the Rule and continuing disclosure requirements provided thereby; (2) adoption of written policies and procedures related to continuing disclosure and the assignment by the City of its most senior finance staff member with responsibility for continuing disclosure; and (3) the City's review of potential market changes that might relate to the City's continuing disclosure requirements and engagement of advisors to help alert the City and its disclosure dissemination agent, DAC, to the same.

The City may modify from time to time, consistent with the Rule, the information provided to the extent necessary or appropriate in the judgment of the City, but: (1) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the City; (2) the information to be provided, as modified, would have complied with the requirements of the Rule as of the date of this Official Statement, after taking into account any amendments or interpretations of the Rule, as well as any changes in circumstances; and (3) any such modification does not materially impair the interest of the Holders or the beneficial owners, as determined by the nationally recognized bond counsel or by the approving vote of the Holders of a majority in principal amount of the Series 2022 Bonds then Outstanding at the time of the amendment. Any annual financial information containing modified operating data or financial information will explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided. The City's continuing disclosure undertakings under the Continuing Disclosure Agreement will terminate on payment, or provision having been made for payment in a manner consistent with the Rule, in full of the principal of and interest on the Series 2022 Bonds.

So long as required, pursuant to Section 11-1-85, Code of Laws of South Carolina 1976, as amended, the City shall file with a South Carolina-based, central repository, if any, for availability in the secondary bond market when requested, an annual independent audit within 30 days of its receipt and event specific information within 30 days of an event adversely affecting more than 5% of revenues of the City or the City's tax base. At present, there is no South Carolina-based, central repository.

RATINGS

Moody's and S&P have assigned the Series 2022 Bonds their municipal bond ratings of "[]" and "[]," respectively. Such ratings reflect only the views of Moody's and S&P and an explanation of the significance of such ratings may be obtained from Moody's at the following address: Moody's Investors Service, Inc., 7 World Trade Center at 250 Greenwich Street, New York, New York 10007 and for S&P at: S&P Global Ratings, 55 Water Street, 38th Floor, New York, New York 10041. Generally, Moody's and S&P base their ratings on such information and materials and on investigations, studies and assumptions furnished to and obtained and made by them. There is no assurance that such ratings will remain unchanged for any period of time or that it may not be revised downward or withdrawn entirely by Moody's or S&P, if in their judgment circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2022 Bonds.

Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Audited Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure.

SECTION 8. Termination of Reporting Obligation. The obligations of the Issuer and the Disclosure Dissemination Agent under this Disclosure Agreement shall terminate with respect to the Bonds on the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or on delivery by the Disclosure Representative to the Disclosure Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required.

SECTION 9. Disclosure Dissemination Agent. The Issuer has appointed Digital Assurance Certification, L.L.C. as exclusive Disclosure Dissemination Agent under this Disclosure Agreement. The Issuer may, on thirty days written notice to the Disclosure Dissemination Agent and the Trustee, replace or appoint a successor Disclosure Dissemination Agent. On termination of DAC's services as Disclosure Dissemination Agent, whether by notice of the Issuer or DAC, the Issuer agrees to appoint a successor Disclosure Dissemination Agent or, alternately, agrees to assume all responsibilities of Disclosure Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. Notwithstanding any replacement or appointment of a successor, the Issuer shall remain liable until payment in full for any and all sums owed and payable to the Disclosure Dissemination Agent. The Disclosure Dissemination Agent may resign at any time by providing thirty days' prior written notice to the Issuer.

SECTION 10. Remedies in Event of Default. In the event of a failure of the Issuer or the Disclosure Dissemination Agent to comply with any provision of this Disclosure Agreement, the Holders' rights to enforce the provisions of this Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the parties' obligation under this Disclosure Agreement. Any failure by a party to perform in accordance with this Disclosure Agreement shall not constitute a default on the Bonds or under any other document relating to the Bonds, and all rights and remedies shall be limited to those expressly stated in this Disclosure Agreement.

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Disclosure Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Issuer has provided such information to the Disclosure Dissemination Agent as required by this Disclosure Agreement. The Disclosure Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Disclosure Dissemination Agent shall have no duty or obligation to review or verify any Information or any other information, disclosures or notices provided to it by the Issuer and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Disclosure Dissemination Agent shall have no responsibility for the Issuer's failure to report to the Disclosure Dissemination Agent a Notice Event or a duty to determine the materiality thereof. The Disclosure Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Issuer has complied with this Disclosure Agreement. The Disclosure Dissemination Agent may conclusively rely on Certifications of the Issuer at all times.

The obligations of the Issuer under this Section shall survive resignation or removal of the Disclosure Dissemination Agent and defeasance, redemption or payment of the Bonds.

(b) The Disclosure Dissemination Agent may, from time to time, consult with legal counsel (either in-house or external) of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its respective duties hereunder, and shall not incur any liability and shall be fully protected in acting in good faith on the advice of such legal counsel. The reasonable fees and expenses of such counsel shall be payable by the Issuer.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed

by the MSRB.

SECTION 12. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Disclosure Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to both the Issuer and the Disclosure Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of Holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided neither the Issuer or the Disclosure Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.

Notwithstanding the preceding paragraph, the Disclosure Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission from time to time by giving not less than 20 days written notice of the intent to do so together with a copy of the proposed amendment to the Issuer. No such amendment shall become effective if the Issuer shall, within 10 days following the giving of such notice, send a notice to the Disclosure Dissemination Agent in writing that it objects to such amendment.

SECTION 13. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Disclosure Dissemination Agent, the underwriter, and the Holders from time to time of the Bonds, and shall create no rights in any other person or entity.

SECTION 14. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of South Carolina (other than with respect to conflicts of laws).

SECTION 15. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

The Disclosure Dissemination Agent and the Issuer have caused this Disclosure Dissemination Agent Agreement to be executed, on the date first written above, by their respective officers duly authorized.

APPENDIX F

BOOK-ENTRY SYSTEM

Book-Entry System

THE DESCRIPTION WHICH FOLLOWS OF THE PROCEDURES AND RECORDKEEPING WITH RESPECT TO BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2022 BONDS, PAYMENT OF INTEREST AND PRINCIPAL ON THE SERIES 2022 BONDS TO DIRECT AND INDIRECT PARTICIPANTS (AS DEFINED HEREIN) OR BENEFICIAL OWNERS (AS DEFINED HEREIN) OF THE SERIES 2022 BONDS, CONFIRMATION AND TRANSFER OF BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2022 BONDS, AND OTHER RELATED TRANSACTIONS BY AND BETWEEN DTC, THE DIRECT AND INDIRECT PARTICIPANTS AND BENEFICIAL OWNERS OF THE SERIES 2022 BONDS IS BASED SOLELY ON INFORMATION FURNISHED BY DTC. ACCORDINGLY, THE CITY NEITHER MAKES NOR CAN MAKE ANY REPRESENTATION CONCERNING THESE MATTERS.

Beneficial ownership interests in the Series 2022 Bonds will be available only in book-entry form. Each beneficial owner of the Series 2022 Bonds ("Beneficial Owner") will not receive a physical bond certificate representing its interests in the Series 2022 Bonds purchased. So long as Cede & Co., as nominee for DTC, or its nominee is the registered owner of the Series 2022 Bonds, references in this Official Statement to the Bondholders or registered owners of the Series 2022 Bonds, as applicable (other than under the caption "TAX EXEMPTION AND OTHER TAX MATTERS" herein), shall mean DTC or its nominee and shall not mean the Beneficial Owners. Unless and until the book-entry system has been discontinued, the Series 2022 Bonds will be available only in book-entry form in denominations of \$5,000 or any whole multiple thereof.

DTC will initially act as securities depository for the Series 2022 Bonds. The Series 2022 Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond will be issued for each series and maturity of the Series 2022 Bonds, as set forth on the front cover page hereof, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of the Series 2022 Bonds. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC rules applicable to its Participants are on file with the U.S. Securities and Exchange Commission ("SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2022 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2022 Bonds on DTC's records. The ownership interest of each Beneficial Owner is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written

confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests with respect to the Series 2022 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive bonds representing their ownership interests in the Series 2022 Bonds, except in the event that use of the book-entry system for the Series 2022 Bonds is discontinued.

To facilitate subsequent transfers, the Series 2022 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2022 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2022 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts the Series 2022 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2022 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2022 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Ordinance. For example, Beneficial Owners of the Series 2022 Bonds may wish to ascertain that the nominee holding the Series 2022 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar/Paying Agent and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of a series of the Series 2022 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2022 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2022 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption premium, if any, and interest payments on the Series 2022 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Registrar/Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Registrar/Paying Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, premium, if any, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Registrar/Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2022 Bonds at any time by giving reasonable notice to the City or Registrar/Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Series 2022 Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2022 Bond certificates will be printed and delivered to DTC.

THE INFORMATION HEREIN CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE CITY AND THE UNDERWRITERS BELIEVE TO BE RELIABLE, BUT NEITHER THE CITY NOR THE UNDERWRITERS TAKE RESPONSIBILITY FOR THE ACCURACY THEREOF. THE BENEFICIAL OWNERS SHOULD CONFIRM THE FOREGOING INFORMATION WITH DTC OR THE DIRECT OR INDIRECT PARTICIPANTS.

Each person for whom a Participant acquires an interest in the Series 2022 Bonds, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications to DTC, which may affect such persons, to be forwarded in writing by such Participant and to have notification made of all interest payments.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Registrar/Paying Agent to DTC only.

For every transfer and exchange of Series 2022 Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

NONE OF THE CITY, THE UNDERWRITERS OR THE REGISTRAR/PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE SERIES 2022 BONDS UNDER THE ORDINANCE; (III) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2022 BONDS; (IV) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE SERIES 2022 BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE SERIES 2022 BONDS; OR (VI) ANY OTHER MATTER.

The Supplemental Ordinance provides that if (a) DTC determines not to continue to act as securities depository for the Series 2022 Bonds and gives reasonable notice to the Registrar/Paying Agent or the City or (b) the City has advised DTC of the City's determination that DTC is incapable of discharging its duties, then the City will attempt to retain another qualified securities depository to replace DTC. On receipt by the City or the Registrar/Paying Agent of the Series 2022 Bonds, together with an assignment duly executed by DTC, the City will execute and deliver to the successor depository, the Series 2022 Bonds of the same principal amount, interest rate, and maturity. If the City is unable to retain a qualified successor to DTC, or the City has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the Beneficial Owners of the Series 2022 Bonds might be adversely affected if the book-entry system of transfer is continued (the City has undertaken no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify Beneficial Owners of the Series 2022 Bonds by mailing an appropriate notice to DTC, on receipt by the City of the Series 2022 Bonds together with an assignment duly executed by DTC, the City will execute, authenticate and deliver to the Direct Participants the Series 2022 Bonds in fully-registered form, in authorized denominations; provided, however, that the discontinuation of the book-entry system of registration and transfer or the replacement of DTC or any successor depository is subject to the applicable rules of DTC or such successor depository on file or otherwise approved by the SEC.

Because DTC is treated as the Owner of the Series 2022 Bonds for substantially all purposes, Beneficial Owners may have a restricted ability to influence in a timely fashion remedial action or the giving or withholding of

requested consents or other directions. In addition, because the identity of the Beneficial Owners is unknown to the City, to DTC or to the Registrar/Paying Agent, it may be difficult to transmit information of potential interest to Beneficial Owners in an effective and timely manner. Beneficial Owners should make appropriate arrangements with their broker or dealer regarding distribution of information regarding the Series 2022 Bonds that may be transmitted by or through DTC.

Registration, Transfers and Exchanges

Series 2022 Bonds Held in Book-Entry Form

So long as the Series 2022 Bonds are in book-entry form and are registered in the name of Cede & Co., as the nominee of DTC, the Series 2022 Bonds may be registered, transferred and exchanged as set forth under “Book-Entry System” herein.

Series 2022 Bonds Not Held in Book-Entry Form

Each Series 2022 Bond not held in book-entry form shall be transferable only on the Books of Registry of the City, which shall be kept for such purpose at the corporate trust office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney on surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. On the transfer of any such Series 2022 Bond, the Registrar/Paying Agent shall cause to be issued in the name of the transferee a new fully registered Series 2022 Bond, of the same aggregate principal amount, interest rate, series and maturity as the surrendered Series 2022 Bond. Any registered owner requesting a transfer shall pay any tax or other governmental charge required to be paid with respect thereto. Any Series 2022 Bond surrendered in exchange for a new registered Series 2022 Bond, respectively, shall be cancelled by the Registrar/Paying Agent.

The City and the Registrar/Paying Agent may deem and treat the person in whose name any Series 2022 Bond not held in book-entry form shall be registered as the absolute owner of such Series 2022 Bond for all purposes including the payment of or on account of the principal, premium, if any, or interest thereon and any such payment made to a registered owner shall be effectual to satisfy and discharge the liability on such Series 2022 Bond with respect thereto.

In the event any Series 2022 Bond not held in book-entry form becomes mutilated in whole or in part, or is lost, stolen or destroyed, or becomes so defaced as to impair the value thereof to the holder thereof, the City shall execute and the Registrar/Paying Agent shall authenticate and deliver a new Series 2022 Bond, respectively, of the same interest rate and denomination and like tenor and effect in exchange or in substitution for such mutilated, lost, stolen or destroyed Series 2022 Bond; provided that, in the case of any mutilated Series 2022 Bond, such Series 2022 Bond shall be surrendered to the Registrar/Paying Agent, and in the case of any lost, stolen or destroyed Series 2022 Bond there shall be furnished to the City and the Registrar/Paying Agent evidence of such loss, theft or destruction satisfactory to the City and the Registrar/Paying Agent together with such indemnity as they shall require. In the event any such mutilated, lost, stolen or destroyed 2022 Bond shall have matured, instead of issuing a duplicate Series 2022 Bond, the City may pay the same. The City and the Registrar/Paying Agent may charge the holder or owner of such mutilated, lost, stolen or destroyed Series 2022 Bond with their reasonable fees and expenses in connection therewith.
