Hi Leydi,

You requested executed originals for 3 railroad related agreements:

1. Catawba St; 2020-036
2. Vine St; 2020-066
3. Blythewood Farms; 2020-037

Normally, im sure I could locate originals but both railroads were operating via electronic copies since the pandemic started with the promise that original ink versions would eventually be returned to me. But I will check my files in the morning. However I can already tell you there is no executed version of Blythewood Farms. The project for that agreement was rescinded before execution.

I'll be in touch tomorrow.

Hi Ms. Gale,

Thank you! Yes ma'am we should be getting an executed original copy back for all agreements sent for signatures. I send them to records once I am done uploading online and attaching to resolutions.

Same to you!
