RE: Oaks at St. Anna's Park – Oak Park Family Housing

This memo serves to provide an overview of the Oaks at St. Anna's Park – Oak Park Family Housing.

Oaks at St. Anna's Park is the redevelopment of the former Gonzales Gardens Public Housing community located on Forest Drive across from MUSC Hospital (formerly Providence). The redevelopment project consists of two components, Oak Terrace Senior Housing and Oak Park Family Housing. The project is a public-private partnership between Columbia Housing and a joint venture of Mungo Construction (Columbia, SC) and NixDevCo (Washington DC). Mungo Construction will serve as the General Contractor with 30% participation of Women and Minority owned sub-contractors.

Oak Park will consist of a total 190 townhome style housing units. Oak Park will contain 96 two-bedroom and 75 three-bedroom affordable units ranging 1,017 to 1,324 square feet. All affordable units will have project based rental assistance. The project will also include 19 market rate units, 11 two-bedroom units and 8 three-bedroom units. Townhomes will include stove, refrigerator, dishwasher, microwave, and in-unit washer and dryer.

The project will be financed with Tax Exempt Bonds, Federal and State Low Income Housing Tax Credits and a private mortgage from Citi-Bank. Total development costs are \$47,795,584.

The owner of the project is SCAHI Oak Park, LLC, a South Carolina limited liability company whose sole member is South Carolina Affordable Housing Initiative, Inc., a non-profit instrumentality of Columbia Housing. Hudson Capital is the federal tax credit investor and Sugarcreek Capital is the state credit investor. The project will be managed by a third-party private property management company, Southern Development and Management Company.

Columbia Housing is requesting City Council to approve the issuance of Multi-Family Housing Revenue Bonds not to exceed \$24 million dollars to support the construction financing of the project. The TEFRA (Tax Equity and Fiscal Responsibility Act) Public Hearing was held on August 25, 2021. No public comments were received.

This project will provide much needed affordable housing in our community replacing the loss of the former Gonzales Gardens units. The project will provide "priority housing" through the project based rental assistance which will reach residents with incomes below 30% of area median income, making a significant impact on the affordable housing shortage in our community.
